

# P3-5 Literacy Tasks

## Week Beginning 18.05.20

### Listening

Tune in to hear David Walliams reading a chapter from one of his books every day!

<https://www.worldofdavidwalliams.com/elevenses/>

Check the literacy section of the P3-5 home learning page. Find the date and complete the job that matches the story that you listened to!

### Talking- KiVa

The third KiVa rule is 'We do not bully'. Have a chat with your family, how can you make sure you follow this rule? Is there anything you could do to help a person who is being bullied?

### Spelling

Work out your spelling for a short amount of time every day this week!

Play lots of spelling games with your family. Has anybody created their own spelling game that they could share with others on the blog?

Remember that all of the wordlists are on the blog. When you are ready move onto the next wordlist for more of a challenge!

### Writing

Have you ever heard of word cookies?

W                    T                    G  
  
                         I                    E                    H

Using the letters above try to make as many 2, 3, 4, 5 and 6 letter words as you can. If a letter only appears once you can only use it once in each word. A 5-letter word you could make using the letter above is the word 'white'.

Now try this one:

R                    C                    U                    I  
  
                         P                    E                    T

Is there a 7-letter word you can make?

Use your words to write high quality sentences.

E.g.

- As I looked up towards the sky I saw clouds as white as snow.
- Mrs Jardine got a new pet dog called Finn. He is extremely cute.

### Reading

Spend at least 30 minutes a day reading a book. This could be a book you borrowed from school, a book from home or a book on EPIC!

When you have finished a book remember to post a book review on the blog. Your review might encourage others to give the book a go if they like the sound of it.

### Quick Writing

Get a timer ready with 15 minutes set. Start the timer and try to write as many sentences as you can about the topic! Try to tell me everything you know about the topic.

On the first day of quick writing you may only be able to write a few sentences, but hopefully the more you try quick writing the more you will be able to write in the time limit.

Here are some topics you could try writing about this week:

- Birds
- Bugs
- Plants
- Big Thursday
