

P3-5 Literacy Tasks

Week Beginning 25.05.20

Listening

Tune in to hear David Walliams reading a chapter from one of his books every day!

Check the literacy section of the P3-5 home learning page. Find the date and complete the job that matches the story that you listened to!

Talking- KiVa

The fourth KiVa rule is 'We will not join in with Bullying'. Have a chat with your family, how can you make sure you follow this rule? Can you think about a time where you stood up for a friend? Was your friend thankful?

Spelling

Work out your spelling for a short amount of time every day this week!

Play lots of spelling games with your family. Has anybody created their own spelling game that they could share with others on the blog?

Remember that all of the wordlists are on the blog. When you are ready move onto the next wordlist for more of a challenge!

Writing

Superhero Cartoon:

Create your own Superhero.

When making up your character think about- colours, costume, features, powers and equipment.

Now give your Superhero some action!

Draw a three-part comic strip like this:

1.	2.	3.
----	----	----

Put your hero into a situation and create a cartoon strip of how your hero saves the day. You could use speech bubbles, thought bubbles and/or sound bubbles.

If you want to type your comic strip you can use this website:

Reading

Spend at least 30 minutes a day reading a book. This could be a book you borrowed from school, a book from home or a book on EPIC!

When you have finished a book remember to post a book review on the blog. Your review might encourage others to give the book a go if they like the sound of it.
