

P3-5 Literacy Tasks

Week Beginning 08.06.20

Listening

Tune in to hear David Walliams reading a chapter from one of his books every day!

<https://www.worldofdavidwalliams.com/elevenses/>

Check the literacy section of the P3-5 home learning page. Find the date and complete the job that matches the story that you listened to!

Talking- KiVa

The fifth KiVa rule is 'We will help and support the bullied children'. Can you think about a time where somebody encouraged and supported you? Have you ever had to help a friend by showing them support?

Spelling

Work out your spelling for a short amount of time every day this week!

Play lots of spelling games with your family. Has anybody created their own spelling game that they could share with others on the blog?

Remember that all of the wordlists are on the blog. When you are ready move onto the next wordlist for more of a challenge!

Writing- Thank You Letters

This week I would like you to think about someone that you would like to say thank you to. It might be a family member or a friend who has done something to help you or cheer you up. It might be someone from school or your neighbourhood who is doing something extra to help people. It could be someone from the television who you feel grateful to (Joe Wicks pops to mind for his excellent exercise videos). Plan out the main points you'd like to say to them and then get writing your letter.

Remember a letter:

- Has an appropriate start e.g. Dear Miss Stapleton or Dear Mr/Mrs/Miss if you do not know the person very well.
- Must say thank you so that the person knows why you are writing to them.
- Includes detail, tell the person why you are thankful for the things that they are doing.
- Could include a bit about yourself e.g. if you are writing to somebody that you know well you might want to let them know some of the things you are doing to help others during this difficult time.
- Is signed off politely (best wishes, kind regards, sincerely, yours sincerely, speak to you soon, take care, your faithfully).

Looking forward to seeing some letters on the blog!

Reading

Spend at least 30 minutes a day reading a book. This could be a book you borrowed from school, a book from home or a book on EPIC!

When you have finished a book remember to post a book review on the blog. Your review might encourage others to give the book a go if they like the sound of it.
