## Week beginning 8.6.2020

### Spelling

Test last week's 10 words.

Got them all right? Choose another 10..  
Couple of errors? Practise those again.

### New activity idea

1. \*Look, Cover, Write, Check – 'SHOW ME'  
Play with your child. Both look at the same word. It is then covered and both write the word on an individual white-board/piece of paper. Then reveal your words - 'one two three, show me' and check that you both have the same spelling. This is repeated with every word on their list.

### Read Aloud

### Reading Task

Diorama of scene from your favourite book:

Create a 3D model of a scene from one of your favourite books this week. You could use a shoebox to create your diorama (lots of examples on Google of this) or turn to page 2 where I show you how to make a simple triangle one from card.

### Synonyms

### Ladybird lost her spots

This week, ladybird gets caught in a strong breeze and loses her spots. She is very upset and goes on a big search for them.

Use some of your synonyms for "looked" "sad" "worried" and "happy" to improve your vocabulary in this story.

# Triangle Diorama

To make a triangle diorama you will need card, scissors, sticky tape.

Fold your card in half, both long ways and short ways, to create quarters.

Have the card landscape. Cut along the vertical fold line until you reach the middle then stop.

Bring one of the flaps you've created over the other, and tape in place to make a flat base. This is your triangle diorama.

You can use paper/card/junk/sticks/etc. to make the scene. Here is a very quick one I did of Jack and the Flumflum Tree, a P1-3 favourite.

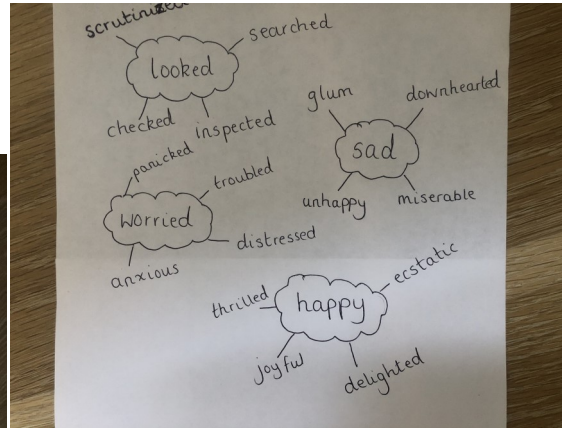

# Ladybird Story

## My synonyms

Here is Leanne the ladybird searching in the garden.

Ladybird loses her spots

One windy afternoon, Leanne the ladybird was out in her favourite place. Suddenly a huge gust of wind came and blew her spots off! Leanne was miserable as she looked at her plain red wings. She went to look for them.

First she inspected under the cushions on the bench seat but no spots were there. She felt very anxious.

Next she checked in the fairy garden. Two spots were there!

After that, she searched behind the shed and found two more.

Finally, she scrutinized the flowerbed and spotted the last two.

Leanne was delighted because she had found all 6 spots.
