

French 8.6.20

Ça va? (How are you?)

 ça va très bien	 ça va bien
 comme ci, comme ça	 ça va mal
 ça ne va pas	 bof!
 pas très bien	 je suis fatigué(e)

Using the picture clues and the internet, can you translate each of these responses into English.

Draw or make faces to show the different feelings and create a "Ca va?" board (see below).

Remember to change your board ever day to match your mood!

Weather Game: Hot or Cold!

Choose an object to hide.

Send someone out of the room for a few seconds. Hide the object. Fetch the person back in.

Guide them towards the object using French weather expressions.

"Il gèle!" - It is freezing

"Il fait froid!" - It is cold

"Il fait gris!" - It is dull (You are in between)

"Il fait beau!" - It is warm

"Il fait chaud!" - It is hot (You are very close!)

La Musique!

Lots of Disney songs have been translated into French. Do a search on YouTube for "French Disney songs" and see if you can find some your favourites! Listen while you work and see if you recognise any words or phrases.

Keep practising your colours, numbers and conversations.

There are loads of great activities on the learning pages!
