Solve the word problems:

Ice Cream Stall

1 scoop cone: 99p

2 scoop cone: £1.50

3 scoop cone: £2.00

Sprinkles: 10p

Sauce: 20p

Flake: 30p

An illustration of an ice cream stall. At the top, there are three ice cream cones: one with a single scoop of pink ice cream, one with two scoops (pink and white) topped with a cherry and colorful sprinkles, and one with a single scoop of pink ice cream. Below the cones is a light blue and yellow van with a sign that says 'Ice Cream Stall' and 'Summer Treats'.

13. How much will it cost for a one-scoop cone with sauce and sprinkles?
14. How much will it cost for a three-scoop cone with a flake and a two-scoop cone with sauce and sprinkles?
15. Ask your family what they would have from the ice cream stall then work out how much it will cost in total.
