

TEAM Hollywood 2020

Back in school, learning together!

① Outdoor Learning:
Making the most of the local environment for learning.

Harvesting our pumpkins and tomatoes → collect seeds to grow our own next session.

carving → pumpkins
soup → tomatoes

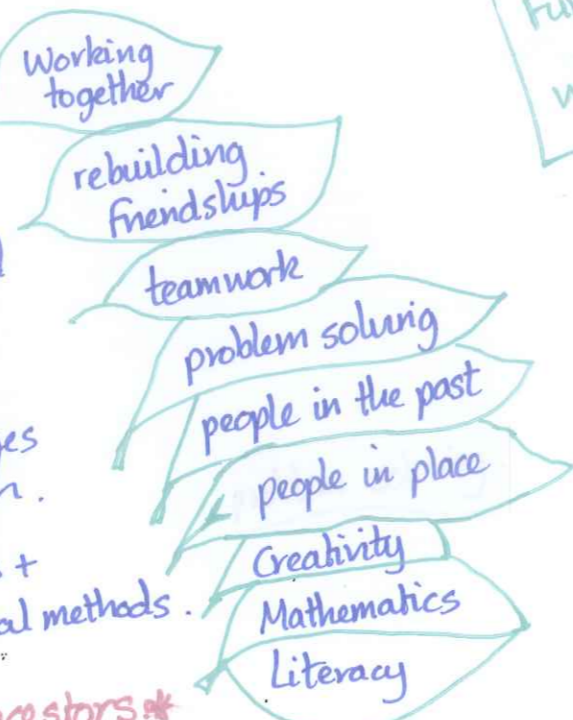

Plan for next Spring...

Damsons & Pears harvest, share and eat!

Mesolithic Scotland (outdoors)

Clans Team work
Willow Bows + arrows Den building
Fires + Cooking Hunting Skills
Foraging berries, dyes/stains, jam, just for eating, cave paintings, clan flags

observing, listening, following trails
In the local woodland playground
Y: clan languages communication
Using tools + traditional methods.

* Understanding SUSTAINABILITY through our ancestors *

Back to... Free Fruit Provided by Parent Council

Our online Community Space.
