

Likes/dislikes

We are going to be learning to talk about our likes and dislikes in French. You will need the following vocabulary to help with this week's activity:

J'adore – I love

J'aime – I like

Je n'aime pas – I don't like

Je deteste – I hate

Watch this video clip to hear how to pronounce the words:

Memory game

For this game you can either use real fruit and veg, cut out the pictures from last weeks activity or draw your own French pictures.

First, lay out all the fruit and vegetables and make sure you can remember how to say them all in French.

Without looking, ask someone to take one item away. Can you guess (en Francais!) which item has been taken away. Take turns with a partner and see who is the first to guess 10 items correctly.

Good Luck!!

Likes and dislikes chart

Create a chart or poster showing us what your likes and dislikes are. You will need to use the four phrases above as headings and add drawings, or images from magazines or the internet to show us your choices. You can include things like food, music, school subjects and sports.

Have a go at writing at least one sentence in French underneath each heading using the following website to help you:

Keep practising your pronunciation of French fruit and veg words by listening to the following songs and singing along!
