

New!

Breakfast Club at Hollywood

We have decided to try out a breakfast club to see if our families would find it useful. Breakfast would cost £1 per day. A collection tub will be in the hall.

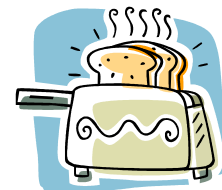

Mrs Madden will be supervising the Cereal and Toast.

Breakfast club would start from 8am. Drop in anytime between 8 and 8.45am.

The club is open to all pupils across the school.

The breakfast club starts this **THURSDAY 16th September from 8am.**

We'll let you know how it goes!

Menu:

Cereal

Toast

Milk

Fruit

Target Setting

The staff team are meeting next week to decide how we will communicate with parents about their child's learning targets.

Normally, we would have everyone in the hall around tables. There would be serious, informative dialogue and lots of chatter about learning.

If you have an idea you would like us to consider, please get in touch!

Big Woodland Break

We met with Sam and watched them felling a tree in our woodland (which we borrow the use of!). The woodland already felt very different.

When the removal of non-native trees is complete we have been asked if we would like to be involved in the planting of native saplings - yes, please!

Until then Big Woodland break will be taking place across our playground and the Beech wood opposite the school (The Boring Dog Poo Wood as the pupil's call it!). We have asked dog owners to keep the woodland safe by clearing up dog poo and we will be checking it regularly.

Pupils will have be able to choose and will need their wellies and water-proofs on a Friday as usual.

Child Protection

Child Protection Co-ordinator: Miss Dale

Depute Child Protection Co-ordinator: Miss Stapleton

All members of the school staff undergo Child Protection training annually.

As usual at Hollywood the team approach is the one which works best. Positive relationships and knowing our families is essential.

The welfare and safety of our pupils is a priority and it is our duty to ensure that all concerns are effectively managed to best meet the needs of the child.

Any concerns about a pupil should be raised with the Child Protection Co-ordinator: 01387 720326

School Photos

We plan to take our own school photos again this session. Once again the Reading hub will be turned into the photographic studio. Miss Dale will borrow some professional equipment and pupils will help to take the portraits!

We will go for a balance of formal and fun.

We will let you know when we put a date in the diary for the photo day so that you can ensure school jumpers are clean and hair is styled!

The school will email you copies of your child's photographs which you can print off for family members or have transformed into a giant canvas for the living room!

There will be no charge for the photographs.
