

The Parent Council are asking everyone in the school community to take a virtual hike to raise funds.

Our sponsored Holywood Hike will take us from the village of Holywood all the way to John o' Groats.

Every pupil will be issued with a sponsor form so that they can pester family members to sponsor them.

Every pupil will be given a pedometer so that they can count their steps.

We set off at 9am on **Monday 4th October**: Pupils will be *given their pedometers* and we will start off with a walk around the playground to get our steps up.

Pupils can walk at break times and after school with family members. We'll build in some extra playground walks after lunch too!

On Wednesday 6th *Mrs Byers from Active Schools* will come in to support group walks around the local area.

Each morning class teachers will collect the class steps and add them up (Pupils will then reset their pedometers). We'll get together and mark our miles travelled on a map of Scotland in the hall.

We hope to travel the length of Scotland and make it to John O'Groats by Friday afternoon. We'll take some photographs by the famous Signpost in the centre of John O'Groats to let you see that we made it!

Want to take part? Parents and siblings can text in their daily steps and we'll add them to your child's class total.

A great excuse to get the whole family out walking and to help the Parent Council raise some money to support the school.
