

## We're Off Out but we need your help!

Team Hollywood have been invited to spend the day at the Crichton. A Totem from Mexico is being returned to the earth and we've been asked to come and hear about it's climate journey. A day of activities are planned.

**We will be asking parent to drop off and pick up pupils at the Crichton instead of at Hollywood on Friday November 19th - please see information letter from Miss Dale and then text in to let us know your arrangements!**

## Pupils Plan Events!

**Fundraising group:** Noah, Azari and Reece raised £15.20 selling crispy cakes and they are thinking about buying new play ground footballs or a new pump to blow up the rugby balls. We'll let you know!

**Charity Group:** Liam and Rory are organising a virtual cycle. £2 to join in and cycle. All money to go to the British Heart Foundation.

**Health Group:** Olivia, Erin, Anneliese and Miller are planning Health Week—fitness, healthy cooking and mindfulness are on the menu.

## SCHOOL SHOW

*Eddie the Penguin Saves the World* is the name of this year's school show.

P6/7 are currently adding to the script and then we'll be getting it to the pupils and holding auditions.

Rehearsal week: Monday 6th December.

Show week: Wed 15th and Thurs 16th December

**BUT** we don't know if we'll be allowed an audience in school or even in the playground.

**However** we will come up with a performance plan and let you know.

*Did you know?* One of our shows is always interactive with fun elements for the audience to join in with!

## Climate Projects (IDL) and Events

Every class in school is currently working on climate change in class to match up with COP26 which has been taking place in Glasgow.

**Eco Group Fashion Week:** Rhona, Abigail, Owen and Grace are organising a recycle fashion week. Pupils will be challenged to design and make an outfit from junk and rubbish to raise awareness of the need to recycle. We will film the catwalk event and post it on the blog.

An information leaflet from the group will be emailed home.

## Thank you!

**Poppy Scotland:** we put £87 in the charity tin for Poppy Scotland, thanks to everyone who bought a woolly poppy.

**Hollywood Hike:** nearly £900 was raised by the school community. Thanks to all the walkers and the supporters!

Thank you to Kaitlyn's Dad for repairing gutters and hooking up the rain barrel on the greenhouse.

Thank you to Ori and Mena's Dad for replacing the bannisters on the treehouse!

## School Bags Return!

Pupils can start to use their school bags if they want to. Bags must be wiped each night at home.

**Only essential items** are to be brought to school: Packed lunch, indoor shoes, dry socks, water bottle.

Please check your child's bag regularly to ensure toys and games stay at home!
