**Covid Update: We are hoping to hear changes for schools very soon to bring us inline with the rest of society and the move out of restrictions. Thank you for your ongoing support - we'll update as soon as we have news.**

## A warm welcome...and a goodbye.

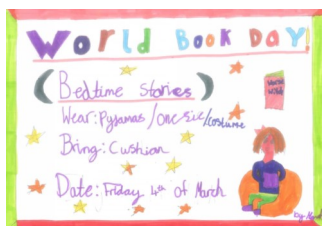

To Jullien (P5) and Contijn (P7) who have recently joined the team  
Miss Witts is a 3rd year Teaching Student joining us in P6/7 this term.  
She will return to work with the P4/5 in May.

Miss Brucianini had a successful placement in P1-3.

Her hard work and ability to take on feedback moved her teaching skills forward. Thank you for your hard work and best wishes with future studies Miss B!

## World Religion Exhibition

P6/7 are setting up an exhibition for our younger pupils in the school hall on the 1st March to share their learning on the 5 major World Religions.

Pupils have made posters, diagrams, and models of places of worship to share with Team Holywood. We'll share photos (and videos clips if we can persuade P6/7) on the blog.

## Shrove Tuesday

We'll be chomping on a pancake on Tuesday 1st March. Use up your left overs at home and blog us your pancake triumphs!!  
Yum!

**Soundtrap** - John Dinning has been in school showing our P6/7 pupils the skills of a music creator / sound engineer. Pupils have been creating some excellent and unique pieces of instrumental music. If you have a P6/7 pupil at home you can hear how they are getting on. If not we'll ask John how we can share our mega tracks with the whole Team.
