Characters

In the show I am a hyena with Freddie, Findlay, Payton, Lottie and Ori. I was very happy when I got the part as a hyena because that is the part that I auditioned for. It was very scary being in front of lots of people and singing and talking

All About Nala.

This year for our school play we are doing The Lion King. In the school show I am the older Nala and my best friend Nancy is young Nala. Personally I think the show is really fun to do! I am also a lioness. We did a dance that Erin made up. The dance looks awesome from the audience because my mum said it looked very good from her view! I have had a lot of fan doing the play!

Lion King

This is my second show and I am in a lioness. I am a wildebeest and am in a wildebeest. My favourite character is Pumbaa. My favourite song is Hakuna Matata.

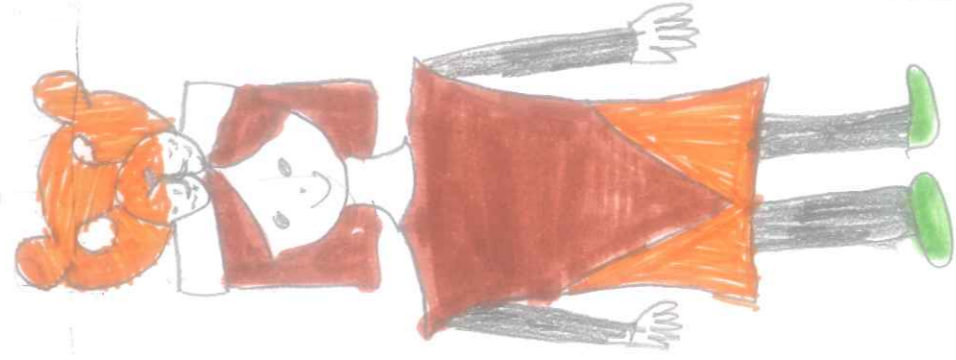

Thomas

I was a lioness and I did a dance with my friends and I was scared to go on stage. I had to paint a mask for my costume. My favourite song was Be Prepared even though the words were tricky to learn. The lion king is one of my favourite films.

making my costume was fun. I got to paint my net. I also got to paint the lioness faces with face paint.

I liked to be a wildebeest because I just needed to walk in slow motion!

Thomas

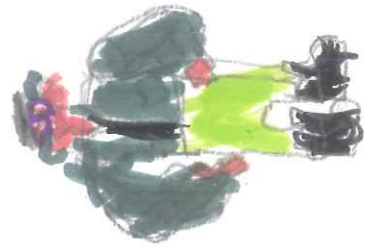

In the Lion King I was a Hyena called
BanZai described as a scruffy male who
serves Scar. Lottie and Ori whose also
hyenas. Ori was Ed and Lottie was Shenzi.
I didnt like how Shenzi was a tough
female. We all wanted to be a hyena for our
last holywood show I was really nervous because
I had never been on stage in front of Peaky
mum and Dad but overall I really enjoyed it.
my favorite song was be prepared and my
favorite line is no king no king Calala Lalala.

By Payton

In the show I am a widef best.

We helped Kiu Simba's dad in the
show. We had to make our hats that
were made out of cardboard. We painted
the heads brown, the eyebrows black,
and the eyes red. My favorite song
is the circle of life. I think the
best character is Scar. Scar was
very confident.

ears on my head. I think
it was a fun show to do.

The Lion King

Show

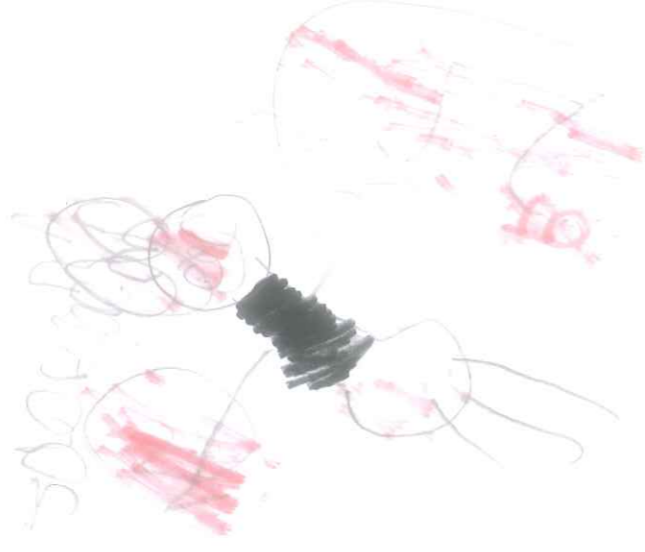

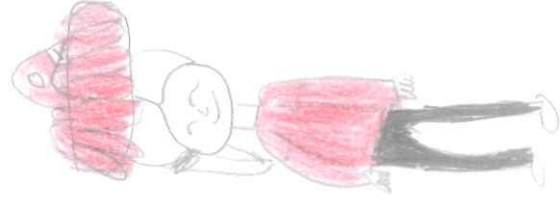

I am a wildebeest and a tree on stage. As a tree we hold
leaves and as a wildebeest we stampede over Mufasa. Then
Mufasa's funeral starts. When I am a tree Hakuna Matata
starts. Then we leave the stage for one scene and when we
come back, we are on for so long. My favourite song is
Hawaiian Treat, when Pumba and Timon dance. It ends with
Simba telling scar to run away and never return then scar
being killed by his hyenas. The show ends with us singing
circle of life again. I was extremely nervous at the start but it
became more fun with each scene.

The Lion King

This year for the school play I was a flapping and it was fun. I love to flap the wings. My favourite songs to sing are "Can you feel the love tonight" and "Just can't wait to be King". For "Just can't wait to be King" Simba and Nala can be found us and it's funny. My favourite sentence in the show is when Scar says "I'm suffocated by idiots" I always find it funny. When I was on stage I found it fun but also a little scary.

I Played Zazu in this year's Play. I found learning my lines rather easy, and could go off-script in 1 day. I didn't really like many of the songs, except Be Prepared. My costume was itchy, but it was still relatively good. Sometimes I felt that the face paint had melted off. It had a f. My acting was great but I didn't really like the show. I would've really liked to do Attack on Titan or something more grown up and not made by Disney.

All about the Lion King JR

In the lion king 2022 at Hollywood I played a hyena called Shenzi. Shenzi is described as a tough female hyena who serves Scar. I auditioned with my two friends Payton and Ori, we all wanted to get hyenas together. Since this is our last show at Hollywood. I was really nervous to go on stage to perform in front of an audience but I ended up enjoying it in the end. My favourite song was 'be prepared' because I had my own line in the song. I had to say it really loud so the audience could hear me over the music. I really enjoyed being on stage for 'be prepared' although there were lots of tricky words.

I loved learning my lines and acting on stage an audience.
Lottie

I HAVE A FEW LINES AND
I'M ON STAGE A LOT
AND I'M ON STAGE A LOT
AND I HAVE A DANCE WITH THE
LIONESSES.

Niamh

This years show was the Lion King and I was the main antagonist Scar. This is the first show in which I have been a main character. And it was really scary when I'm imagining talking in front of a bunch of people. There were a lot of lines to be learned but I got the hang of them pretty quick. My favourite part of the show is when I sing 'be prepared'. I sang it so well. The audience blew away with my vocals! The costumes were wiggly and I liked that. This years show was incredibly fun and I loved it.

All about Rafiki

Lion King

I am Pumbaa for the Lion King. I was nervous but also excited. My mask was so cool and I had a bobble head. Jacked everything on my favourite part was when we sang hakuna matata and be prepared. I didn't like having a hibi because my body was laughing because my grass skirt fell off. I saw was my papa smiling at me. We were making badges and tags so jing team. I am going to be a lion king and I am so much more for the final show.

PUMBAA

the Lion King 2222 DEC
 I'm young Simba in the lion king and I'm musasa's kid in the school show. Every one thinks I'm dead when I ran away! This is what I look like in my costume. I did not even do the lines at home I done my lines at school! I'll appear on the stage 27 times this week! My fav part was when Scar says I'm surrounded by idiots. I felt excited to go on stage!

Learning my lines was good. I was supposed to be a widibest but grace was also I had to be musasa but grace can't. On Monday so I was back to a widibest but I was a tree for the jungle and I was a for a long. I got to jump and it was fun. My favorite song is the Circle of Life and my favorite is I'm surrounded by idiots.

The Lion King Show

I am a Wildebeest in the show of Lion king, I am also in the jungle area as a leaf, (The Timon and Pumbaa part). As the Wildebeest we stampeded over Mufassa, after that, the funeral of Mufassa starts. At the jungle area, that's when Hakuna Matata starts. My favourite song is Timon and Pumbaa's Last Song where they do a dance wearing a tutu! I also like be prepared.

We end with scar being chased off by his own hyenas. Simba tells scar to run away and never return, like Scar told Simba to when he was young.

The show ends with us singing circle of life one last time. I was nervous at first and then I was more confident.

THE LION KING

Hi! This is Ori. In this school show I was the stupid hyena Ed. It didn't take long for me to learn my lines. I enjoyed coming on stage laughing and waiting for the audience's reaction. My favourite song in the Lion King is the Circle of Life. I like being on stage and stepping into my role. I like helping people when they are stuck. I was very nervous on my first show but I soon got used to the audience.
