Football Coach Needed...

We are gutted!!

Coach aka Mr Queen has had a job change and will have to resign his position as football coach. He has asked us to put out feelers to see if we can recruit a new coach.

Do you have an interest in coaching our team?

Do you know someone with an interest?

Please get in touch!

To ensure pupils are safe:

Any adult taking on the coaching role would have to sign up to the Local Authority volunteering policy and confidentiality agreement. They would be put forward for a PVG by the school and would only be allowed to start after this clearance had been received.

We hope to hear about a replacement soon.

A huge thank you to Jim for going above and beyond to keep us ship shape. We really appreciate all your efforts!
