

Big Bang, Glasgow - P5/7 Pupils

All the pupils enjoyed their day at Glasgow and the Big Bang Festival of Science, Mathematics and Engineering. School exhibitors (including the Hutton Big Bang representatives) from all over Scotland displayed their work and companies set challenges for pupils to try. Whilst there, everyone enjoyed a few seminars:

- Young Engineers
- Super Human Challenge (CBBC presenter)
- Biomechanical: how the body works

A few even had time to go 'freebie hunting!' The Science Club entered their eco boat in the challenge: Anna, Lindsey, Daniel and Craig's 'Hutton's Super Solar Boat.....' unfortunately it may be renamed Titanic 2!

Applegarth Fairtrade Football Tournament

We all enjoyed our football event on Wednesday - the sun shone, everyone had fun and showed great sportsmanship.

Craig McCulloch was given a special mention for being an outstanding player. Congratulations to Hightae Primary. Jamie presented them with the Winners' Cup. The "Man of the Tournament" was Keir Miller of Hightae who was presented with his award by Owen.

Carlingwark

All the pupils in P5-7 and staff had a fantastic time at Carlingwark. We became quite skilled at sailing - learning how to tack into the wind and avoid getting hit by the boom! We only lost one man overboard! We also built a raft with canoes, learnt how to steer a straight course and discovered that when you want to turn left you actually have to steer in the opposite direction! The kayaks were great fun - especially being towed as a raft under the fountain! The best bit was probably being allowed to jump in at the very end and get completely soaked. We all enjoyed our hot showers afterwards!
