

Loreburn Primary School Newsletter

30th August 2013

Dear Parents and Carers,

We are now back into the full swing of school and everyone is settling down with their new classes. Primary 1 will start full days next week. This is slightly earlier than usual so I'm sure there will be a few very tired children by the end of next week.

Captains, Vice Captains and Prefects

I am pleased to announce that the following children have been chosen for:

Girls' Captain	Vidhi Naik	Boys' Captain	Neil Gillon
Girls' Vice Captain	Rhea Donaldson	Boys' Vice Captain	Fergus McVicar

Prefects: **Rachel Robertson, Elvie Scott, Leah Nisbet,
Connor Culshaw, Scott Chisholm, Keir Campbell,**

Pupil Profiles

Each child in school now has a Pupil Profile. It is a ring binder where they select pieces of their work from different areas of the curriculum to keep as examples of good work. There is a section for Wider Achievement and children are encouraged to bring in information about successes at home. While for some they may have a certificate or medal to bring, lots of children have achievements where there is no official recognition. For example, a child who has learned to ride his / her bike without stabilisers has achieved! So if your child has achieved something that you think is worth recognising, then send in a letter, a photo or something in hard copy to put in their profile.

After School Football

Mrs Wright, our P5 teacher is willing to take after school football after the October holidays. However she will only be able to do this if she has parental support. If you would be able to help her, then please get in touch. Volunteers would need to have a Disclosure Scotland check carried out.

Fundraising Group

The first meeting for this session is on Tuesday at 7p.m. New members will be made very welcome. Do come along and find out how the group works and what you could do to help. It may be that you only need to come to some meetings. We are looking to reorganise meetings and will try to accommodate what suits the majority.

Spring Flowering Bulbs

I have sent out order forms for families and friends to buy spring bulbs. The school gets 25% of the value of orders. Please return orders by Friday 13th September.

I have issued the diary dates that we have to hand. There may be additions or alterations but you will be given notice should there be any changes.

Yours sincerely,
