

**Nursery and School Newsletter**  
**31st January 2011**

Dear Parent and Pupils

### **New School Website**

The school website has changed to

<https://blogs.glowscotland.org.uk/dg/PenninghameNurseryandPrimary> which you may like to add to your Web favourites. The website is open to the World Wide Web and suggestions for content are very welcome.

### **Snowman Drive**

A reminder that the Snowman Drive is this Friday 6:30 – 8pm. Tickets are available from the Office or please come on the night (£1.50). It would however be helpful to know numbers coming on Friday. The Snowman Drive is a fun evening for all ages.

### **Nursery Enrolments**

A reminder that this Wednesday and Thursday from 1:30 – 3pm there will be Nursery enrolments for children with birthdays :

- a) between 1<sup>st</sup> March 2007 and 31<sup>st</sup> August 2008 - Start August 2011
- b) between 1<sup>st</sup> September 2008 and 31<sup>st</sup> December 2008 - Start January 2012
- c) between 1<sup>st</sup> January 2009 and 28<sup>th</sup> February 2009 - Start April 2012

If you know of any family, friends or neighbours who have children in the above age ranges (and wish a place at Penninghame Nursery) please ask them to come along to the school on the afternoons of 2<sup>nd</sup> or 3<sup>rd</sup> February.

### **Toilet Refurbishment**

Our toilet refurbishment is planned to start this week with the P1/2 and P6/7 toilets being done first. Contractors will be using the playground to store materials and equipment which will be fenced off and there will be a walkway kept clear for access to and from the Nursery and School. There will be some disruption to classes due to noise and the children will need to move about the school to access different toilets during the works. There will also be some new tarmac laid outside which may affect access on one or two days only but I will advise you of any changes closer to the time. It is hoped to have everything finished by the Easter holidays.

Thank you  
David Tyson  
Headteacher

Penninghame Eco-School Group  
Please send in any used stamps, mobile phones and ink  
cartridges, to the school for recycling.
