The Nursery will operate from 8.30am till 3.30pm.

Each Nursery Nurse will be given the responsibility for a small group of pupils and will be known as a keyworker. All parent's will receive a slip noting who their child's new keyworker will be.

We now have an indoor noticeboard where you will be able to access Nursery information, events, and key information.

Alongside these boards we also have information on what we are learning each week. This will enable you to discuss with your child what they have been busy doing in the Nursery. You can view photographs of the learning that has taken place through the various activities in our 'Big Book' in the foyer please feel free to have a look through it at any time.

Future newsletters will be emailed to the address you provided and also posted on our school App, please download by searching 'Jigsaw school app'. Once downloaded please use the tab to select organisation and search Sheuchan Primary School. Then select 'Nursery' and newsletters are found within the 'files'. We will also share them to our Sheuchan Nursery closed Facebook page, noticeboard and the school blog found at:

Peanut Allergy

Sheuchan Primary is a nut free School. In School we have a child with a severe nut allergy and request that children do not bring any foods containing nuts in their pack lunches.

The children will receive morning and afternoon snack. There is a 'piggy bank' located in the foyer. Donations are able to be made to the bank should you wish to assist us in providing high quality experiences and a wide variety of snacks for the children.

Each child has a peg in the cloakroom area. The name cards here match the ones on their shoebox so each child can identify their own name.

Your child will have their own Personal Learning Journey (PLJ). These are electronic and held on each keyworkers Ipad. The children and their keyworker will update their PLJ's throughout the year and children have access to them anytime they wish. These can be accessed at any time by parents, please feel free to speak to your child's keyworker who will be more than happy to share them with you.

Nursery Gates

For the safety of the children please close the Nursery gates behind you as you drop off and collect your child.

Visits & Excursions

We make the most of our local environment and take the opportunity to visit places within the local area. Could you please ensure that your child is suitable clothed for all weather conditions.

Some Additional Information

Could we please ask that you label all clothes, shoes and wellies please? It makes it much easier to find lost items.

Please do not hesitate to contact Miss Douglas or any of the Nursery Team should you have any questions or suggestions. We are always happy to help and adapt to suit all our families.
