

Sheuchan Nursery Newsletter

April 2025

Easter Weekend

Nursery will be closed Friday the 18th of April and Monday the 21st for Easter Weekend.

Play On Pedals

Mrs Miller recently attended a training session to allow her to deliver Play On Pedals sessions. What is Play on Pedals? Play on Pedals is a training programme that supports and develops the cycling skills of nursery-aged children. Through a series of fun and imaginative activities, children develop their balance and control skills, through balance and pedal bikes.

Following an increased interest in the bikes from the children, Mrs Miller will host a four week block on Wednesdays at 3.15pm-4pm approx. This will be held within the school grounds commencing the 16th of April. We have placed a sign up sheet in the Nursery Foyer, please let us know if you are able to attend. Preferably we would ask you bring your child's own bike and helmet however we do have a small amount in Nursery if this is not possible that you are able to borrow.

Personal Learning Journeys (Special Books)

Thank you to all our parents who attended our Stay & Play sessions during the last few weeks of last term. It was great for the children to share their environment and their learning journeys to date. If you were unable to attend any of the sessions, please feel free to ask at any time to view your child's Learning Journey. The children's Personal Learning Journeys are available at all times to view at drop off or pick up.

Family Fun Fridays

Fun Family Fridays are returning this term for a four week block. These will run every Friday from week commencing the 2nd of May. The sessions will begin at 9am and will include a variety of themes such as cooking week, outdoor learning week, numeracy and literacy games and science week.

Miss Jordan will pop out a sign up form each week, please let us know if you can attend. Please do not worry if you are not able to make all four, drop in and out as you are able.

Sponsored Grand Prix

We will be holding our annual grand prix at Sheuchan School on **Wednesday the 23rd of April at 9.45am**. Children are invited to bring their Bikes, Scooters or Ride On's along to join in zooming around our track. Parents will be invited to join us outdoors to watch the Grand Prix. Please feel free to decorate your vehicle and dress up in any way you like, but most of all we want everyone to have FUN!

All sponsors will be very gratefully received and will go towards our Summer Trips. Please do not panic if your child does not have a suitable vehicle or perhaps it is not easy to get it to Nursery, we have plenty bikes and scooters in our shed raring to go.

Pre School Transition

During this final term we will begin a series of transition activities for our children moving into Primary 1 at Sheuchan School after the summer holidays. Please look out for a letter from Mrs McClymont which will outline our plans.

Toys

We have recently seen an increase in toys from home coming in to Nursery. Could we please ask that no toys come in bags or stored in drawers at Nursery. It is often leading to upset as another child may want to play with special toys and items can become lost.

Future Dates for the Diary

Sheuchan School Fete - Friday the 16th of May
