

How are we going to improve
our nursery this year?
(2025/26)

Writing

We are going to help our children improve their early writing skills raising our attainment in writing. In Nursery we will be offering you as parent's opportunities to have a greater insight into how best to support at home.

Numeracy

We are going to continue improving our numeracy skills, raising attainment in numeracy. In Nursery we will be offering you as parent's opportunities to have a greater insight into how best to support at home.

Pupil Voice

We will give our pupils more ownership of decision making in nursery and school. Creating more opportunities to let them lead their learning and the environment in which they learn.

Meta Skills

We will work with our pupils to further embed Meta Skills and our Learning Dispositions.

Pupil Voice

We will be encouraging children to discuss their learning and the skills in which they are developing

Wellbeing

We will continue to provide more opportunities for children to engage in and share wider achievements.
