

A very warm welcome back to all our families, we hope you have all had a fantastic Easter break. The team were delighted to see all the little faces and hear about all the wonderful activities the children got up to in their holidays. We are also delighted to have our new intake of children join us this term. The children and the team alike have very much enjoyed meeting you all over the last few days and we just know we are all going to have so much fun!

Play On Pedals

Just a reminder our 4 week block of Play on Pedals, family learning program commences on Thursday the 16th. Please collect your child as normal and wait in the Nursery garden where Mrs Miller will be there to take you as a group round to the primary playground.

Sponsored Grand Prix

We will be holding our annual grand prix at Sheuchan School on **Wednesday the 22nd of April at 9.45am**. Children are invited to bring their Bikes, Scooters or Ride On's along to join in zooming around our track. Parents will be invited to join us outdoors to watch the Grand Prix. Please feel free to decorate your vehicle and dress up in any way you like, but most of all we want everyone to have FUN! All sponsors will be very gratefully received and will go towards our Summer Trips, Summer activities and resources. Please note this will include outdoor play resources for the primary 1 playground for our pre-school children to make full use of as they move on into the school environment. Please do not panic if your child does not have a suitable vehicle or perhaps it is not easy to get it to Nursery, we have plenty bikes and scooters in our shed raring to go.

Pre School Transition

During this final term we will begin a series of transition activities for our children moving into Primary 1 at Sheuchan School after the summer holidays. Please look out for a letter from Mrs McClymont which will outline our plans.

Future Dates for the Diary

Sheuchan School Fete - Friday the 15th of May

The Nursery Team
