After a couple of years where we have been unable to hold a Sports Day, we certainly made up for it this year. The sun was shining very brightly and there were a few red faces by the end of the day! I think it took everyone by surprise how hot it actually was.

Everyone took part with great enthusiasm, even the staff managed to compete against each other in the 'Egg and Spoon Race'. After lots of encouragement from the children, Miss Kerr and Miss Keenan came in joint first with Mrs Fraser trailing behind at the rear.

We missed your company, but don't worry we captured it on film! The link to view has been posted on our website and facebook page. Hopefully we can have our usual family get-together next year.
