

Webinar Series for Parents and Carers

Are you a parent or carer of a child with additional support needs? Are you looking for support to help your child thrive?

Whether it's understanding what assistive technology is, knowing what's available, or figuring out what might work best for your child, it can feel like a lot to take in.

This webinar series is designed to guide you – step by step – towards helpful places, practical resources, and trusted tools that can make a real difference in your child's learning journey.
