

	Numeracy	Literacy	Other
Monday <i>Ms McCall</i>	<p>P1 practise your number bonds to 10. Ask a family member to call out a number to 10 and you shout back its partner.</p> <p>P2 practise your number bonds to 20. Write down all the numbers to 20. How quickly can you match them with their adding partner to 20?</p> <p>P3 complete pages 1,2 and 3 of your workbook. Time yourself to see how quickly you have completed these mental maths sheets.</p>	<p>Write about your holiday news in your jotter. P1s ask an adult to write your news for you and show them how neat your underwriting is. P2/3s check any spelling you need help with, with an adult. Remember finger spaces and writing on the lines.</p> <p>I am looking forward to hearing what you did and seeing beautiful pictures of your holidays.</p>	<p>When you are playing with a toy car you need to push it to make it go, but what happens when you put it on a ramp or a slope?</p> <p>Make a ramp using a piece of card, wood or a hard backed book. Roll a toy car or a ball down the ramp and watch what happens. Talk about what will happen if you make the slope steeper, flatter, longer or shorter. How could you measure this? Try rolling different items down the slope. What goes quickest or furthest? Do any items get stuck or slide instead of rolling?</p>
