

	Numeracy	Literacy	Other
Monday <i>Ms McCall</i>	P1 complete your Chinese New Year sheets. P2 Chinese New Year code breaker. P3 Practise your 2, 3, 4, 5 and 10 x tables. See how fast you can complete the times tables sheets in your pack.	Today is Robert Burns' birthday. Usually in school would be celebrating Burns and parents would be going to a Burns Supper. Think about what kind of food we eat at a traditional Burns Supper. You might start with Scotch broth and then have haggis, neeps and tatties then have cranachan or trifle for desert and maybe some shortbread. What about something to drink? Irn Bru. P1 draw a picture of your main course and label what is on the plate. P2/3 Write out a menu for your meal, remember the menu will be written in the order that it is eaten.	Look at the picture I have given you of a chaffinch. On the bottom picture label the parts of the bird using the words given to you on the sheet. When you have finished colour your bird to look as like the picture of the chaffinch. P2/3 Read the book, Neeps and Tatties with your parents. I have uploaded it on teams for you. Then choose some of the activities to do from the planning page in your pack.
Tuesday	Circles & Triangles: Ask a family member to write down the words for the numbers to 10. Can you match them up to the numbers to 10. Play the words to 10 game on Sumdog. Squares: Use toy cars to create some subtraction sums e.g. 6 cars, 2 drive away - how many do you have left? Route 136. Rectangles: Route 136 & Workbook page 9. Maths games on Sumdog. Pentagons: Monday & Tuesday Mental Maths. Sumdog Maths activities.	Practise your Scots poem, trying to remember it without reading from the sheet. You could also have a go at writing it out in your neatest handwriting. All spelling groups: Spelling activity from sheet in pack Go to www.oxfordowl.co.uk to access some reading books. Our class login is borgue123 and password is 123boys!	Scottish wildlife worksheet (in pack) Can you create your own wildlife checklist and then go for a walk to see how many different animals you can check off your list? How many different birds have been at your bird feeder which you made last week for Ms McCall?
Wednesday	Circles: How many different ways can you make 4? Recognise that 1 + 3 & 3 + 1 etc both make 4. Workbook page	B.F.G: https://www.youtube.com/watch?v=i9qo6OLyCgc learn about the 'ie' sound. Complete the 'ie' formation	French - Mrs James Months of the Year

	<p>11. Triangles: Collect 8 items from your home. How many different ways can you make 8? Workbook page 24. Squares: Make a number line outside with chalk. Hop backwards along the line to complete some subtraction sums. Workbook page 7. Rectangles: Use 2 dice. Roll them together and add the amount. Now roll them both again & add. Can you now add the two bigger numbers together? Maths games on Sumdog & Workbook page 10. Pentagons: Wednesday Mental Maths. How many different ways can you make 100? Record them in your Maths jotter.</p>	<p>worksheet. Have a go at reading some 3 letter words e.g. bed, pig, rat etc. More examples will be on the Facebook page & Teams. Rainbow Fish: https://www.youtube.com/watch?v=Jr7NP8WHqLw learn about 'sh' & complete the 'sh' formation worksheet. Can you make a ship/shop or shed using some blocks? Gruffalo: Grammar booklet - past tense verbs. Ask a family member to write out some different verbs on pieces of paper. Can you sort them into past tense verbs which follow the doubling rule and those which don't? Elmer: Grammar booklet - questions. Play the game '20 questions' with a family member - think of an item or person and you can only answer questions with yes or no. They need to try and guess your item within 20 questions. All spelling groups: Spelling activity on Sumdog</p>	<p>Check out Ms McLeman's Art lesson on the Teams page.</p>
<p>Thursday</p>	<p>Circles: Collect 5 items from around your house. How many different ways can you make 5? Workbook page 12. Sumdog Maths games. Triangles: Whole/parts method for 9. Workbook page 25. Sumdog Maths games Squares: Workbook page 8 & Route 136. Maths games on Sumdog. Rectangles: Gather 20 small objects. Use them to make different sums to 20. How many doubles can you make? Workbook page 11. Pentagons: Look for a large stick or a belt. Estimate how many sticks/belt in length each room in your house is. Now use the stick or belt to check if you were right. If you have a measuring tape at home have a look to see how long 1metre is. Is your stick shorter or longer than</p>	<p>B.F.G: 'ie' sound hunt. Can you find anything around your home or outside which has the 'ie' sound. Draw 4 pictures or write the words for the things you find in your red phonics jotter. Rainbow Fish: 'sh' worksheet - write the words for each picture underneath. Practise writing 'sh' in sand or making it with playdough. Gruffalo: 1 page of sentence workbook. Write 2 sentences about the picture. Elmer: Write about going on an adventure with one of the animals from your Scottish wildlife worksheet. Where will you go? What will you do? What will you see? All spelling groups: Spelling activity from sheet in pack</p>	<p>Use playdough (see Facebook page for instructions to make your own if you don't already have some) to create your favourite animal which is found in Scotland. Would you like one as a pet? Why/why not? Pop your creations on the Facebook page or email them so we can see! Mrs Picken's lesson this week is 'On a Scottish note' https://sway.office.com/ee3jmOK5bJTjyyhy?ref=Link</p>

	1m? Thursday Mental Maths		
Friday	<p>Circles & Triangles: Can you find 5 heavy and 5 light items around your house? Choose a book - can you find an item heavier than it and something lighter? Repeat this with other objects.</p> <p>Squares & Rectangles: Use blocks or another item which are the same size. Now choose some items in your home and first estimate (which means guess) how many blocks you think they will be. Now check by measuring with the blocks. How many did you get right? You could repeat this for larger objects by using your feet to check.</p> <p>Pentagon: Use your measuring tape to measure different items in your home, for example, dining table, door, sofa etc. Record your measurements in your Maths jotter. Friday Mental Maths.</p>	<p>B.F.G: 'ie' worksheet - writing the words for each picture. Make the 'ie' sound with playdough or loose parts or practice writing the 'ie' sound in salt!</p> <p>Rainbow Fish: 1 page of comprehension booklet</p> <p>Blue: 1 page of comprehension booklet</p> <p>Green: 'School Canteen' - comprehension booklet</p> <p>Orange: 'Grasshoppers' - comprehension booklet</p> <p>All spelling groups: Spelling test on Sumdog</p> <p>P1: Ask a family member to read a story to you.</p> <p>P2/3: Choose a book from your collection at home and have a go at reading it to a family member.</p>	<p>Go to visit the Red Squirrels in Barrhill Woods in Kirkcudbright. You might want to take some nuts with you! How many can you spot? What are they doing? Did you see any other animals while you were there?</p> <p>Balloon Tennis! Create your own racquets using paper plates and wooden spoons. Now blow up a balloon to use as your ball. Find a space in your house or garden (as long as it's not too windy!) to play with someone in your family!</p>
