| | <p>Maths sheet and co-ordinates challenge</p> | <p>Charlie and the Chocolate Factory - The Laughing Snowman - answer questions 1-5 in full sentences Matilda - The lion and the mouse - Answer questions 1-5 in full sentences Fantastic Mr. Fox - How does your heart work? - Answer questions 1-5 in full sentences</p> | |
| <p>Wednesday Mrs Kirk</p> | <p><u>Problem Solving</u> Think about your favourite meal. Write down what you would have if you could have any starter, main course and pudding. Think about the ingredients you would need. Use tesco.com, or any supermarket website, and work out how much it costs to buy all of the ingredients required for that meal.</p> | <p>BFG - Number 7 on 'What does my heart do?' from yesterday. Extension page included in pack to help. George's Marvellous Medicine - Heart definitions Charlie and the Chocolate Factory - The Laughing Snowman - answer questions 6-10 in full sentences. *Keep hold of 'The Laughing Snowman' text as we'll continue this comprehension work next week.* Matilda - The lion and the mouse - Answer questions 6 and 7 *Keep hold of 'the Lion and the mouse' text as we'll continue this comprehension work next week.* Fantastic Mr. Fox - How does your heart work? - Questions 6-10 *Keep hold of the 'How does your heart work?' text as we'll continue this comprehension work next week.*</p> | <p><u>Health and Wellbeing</u></p> <p>Expressing yourself is all about finding ways to show your feelings, thoughts and ideas in a creative way. This can be done in many ways, such as through writing, drawing, painting, dancing, singing, acting or any other way which makes you feel happy!</p> <p>Think of as many feelings or emotions as you can. Discuss these feelings with a family member - what are the reasons for feeling these different emotions? What triggers these emotions?</p> <p>Have a go at expressing your emotions in the way that you find easiest and best for you. ? This could be by writing it down, drawing a picture, singing, dancing or acting it out! If you are able to, send me an example of what you have done.</p> |

| <p>Thursday Mrs Graham</p> | <p>Maths: All groups <i>Both tasks this week will be on Sumdog so please make sure you know your login.</i></p> <p>Time practice task on Sumdog. Try to get 50 questions correct. This practice task is open until 5pm on Friday. www.sumdog.com</p> | <p>Literacy: Spelling: As I have not seen any spelling test scores from anyone, I would like you to revise your words from weeks 1-5 and ask a parent to choose 15 to test you on.</p> <p>Practise these words however you choose from today until next Wednesday. New words will be issued from next week.</p> <p>-----</p> <p>Responding to a mini film THURSDAY Watch this mini story here Broken: Rock, Paper and Scissors</p> <p>You are then going to complete activities on pages 1-5 of the link below today.</p> <ul style="list-style-type: none"> • All groups: The first tasks focus on how the characters feel and you might need to pause as you go to note down the different feelings that you see. (pages 1-3) • P7: complete the graph to show how feelings can change over time. This should be a simple line graph (page 4) • P6/7 can then write a last diary entry from the point of view of Rock (page 5) • P4/5 can create a comic strip of the story (page 6) | <p>Live Teams check in class meeting with Mrs Graham at 1.30pm</p> <p>PE: Try out this jumping challenge which is all about developing athletic skills. You can do it inside or in a garden. Watch the video here: Coach Seagun's jumping challenge!</p> |
| <p>Friday Mrs Graham</p> | <p>Maths: Sumdog Time assessment</p> <p><i>Please only complete the following assessment when you have reached your target of 50 from yesterday's task.</i></p> | <p>Music Live lesson: Feis Rois at 11.50am</p> <p>Complete activity sheets- label parts of the guitar and accordion. Accordion Guitar</p> <p>Literacy Activities: Broken: Rock, Paper, Scissors Activities</p> | <p>ICT task: Share work through the Teams assignments. Help with how to upload can be found on this video. Assignments tutorial</p> <p>GOLDEN TIME! Make sure you do something you enjoy when you have completed all your work.</p> |

Log in and complete your group's **assessment** in the "tasks" section. You have until 5pm on Friday to complete these.

www.sumdog.com

Extra task- Using a ruler: It is always good to practise using a ruler accurately for all kinds of Maths activities. P4/5 can develop their ruler skills through this next activity, and P6/7 should be pretty good at this already. This fun art idea combines ruler use and creativity! Instructions are on the sheet- you don't have to draw an aquarium, perhaps this could be a tunnel to a secret garden?

[Perspective drawing of an aquarium](#)

PS: some of you will notice that the fish in the aquarium aren't drawn using perspective, perhaps you can do this in your drawing.

FRIDAY

- All groups: Think about how each character sees things differently in the story and complete page 7 from activity link above.
- P4/5- create a wanted poster for the Scissors character (page 8)
- P6/7- you can also do page 8 if you wish, but I'd also like you to complete page 9 which is describing the setting from the perspective of one of the characters.
