

	Numeracy	Literacy	Other
Monday <i>Mrs Kirk</i>	<p>Maths This term, we are going to spend some time learning about fractions.</p> <p>E - Halves and quarters sorting</p> <p>Circles - page 67 and 68 - Halves and quarters</p> <p>Triangles - page 58 - tenths of a set</p> <p>Squares - Mixed numbers and improper fractions - look at explanation sheets then complete page 62</p> <p>Pentagons - Page 51 - fractions of a set</p>	<p>Some of you will have a reading book in your pack this week. Try to read for at least 20 minutes every day, and read the whole book over the course of the week. If you complete your book, you could read any other books from home. In your pack there is also a reading bookmark. Ask someone at home to work through some of the questions with you as you read. You can decorate the back of the bookmark too if you'd like!</p> <p>VCOP activities Can you 'up-level' these sentences? (Make them better, by adding words, punctuation and changing some vocabulary)</p> <ul style="list-style-type: none"> • It was a hot day. • The boy was tired. • It hadn't stopped raining. • Her work was great. 	<p>1.30 Teams Meeting with Mrs. Kirk</p> <p>Health and Wellbeing Over the next few weeks we are going to be thinking about food and food safety. Watch the PowerPoint entitled 'Keeping food safe' that is in 'files'. On the final slide of the PowerPoint complete the 'Give me 5' activity.</p> <p>If you complete that, have a go at the food safety home investigation activity that is in files and in your packs. (You may want to complete this on a different day, or do it over a few days.)</p>
Tuesday <i>Mrs Kirk</i>	<p>Maths E - Read and colour the fractions</p> <p>Circles - Halving numbers to 100</p> <p>Triangles - Page 59 - third of a set</p> <p>Squares - improper fractions and mixed numbers sheet</p> <p>Pentagons - Mixed numbers/improper fractions sheet</p>	<p>Writing Spring is starting to make an appearance! It has been a long Winter and it is lovely to see some signs of Spring. Write about the perfect Spring day. Include details about the weather, where you would go and what you would do. Try to include as many things as you can that make you think of Spring and I will try to spot them in your writing. Think about weather, plants, flowers, animals, Easter, etc. If you</p>	<p>Science: Space and Planets</p> <p>Look at the two sheets about the planets in our solar system and complete them. If you look at them together you will get hints from each page in order to complete both correctly. Sheets in packs and in 'files.'</p>

<p>Wednesday <i>Mrs Kirk</i></p>	<p>Problem Solving Mrs. James has included a Problem Solving activity in your packs.</p>	<p>have the chance, you could redraft your work, either by hand or on the computer, and add some illustrations. I would love to see your finished work, and display it in the classroom for our return to school. It would be great to see some beautiful, bright work on the walls!</p>	<p>French Mrs. James has included a French activity in your packs. There are different activities for this week and next so she will contact you on TEAMS and let you know what to do.</p>
