Mental Maths

The children work on mental maths tasks 3 times per week.

Health & Wellbeing

Our **Health/wellbeing** theme this term is looking after ourselves/personal hygiene.

We will continue to participate in the Daily Mile ~ walking/jogging/running within the school grounds each day, weather permitting.

PE ~ orienteering and team games, will take place on Monday and Wednesday afternoons.

Please bring a water bottle daily and a PE KIT for the whole week, bring it on a Monday and take home on Friday.

Religious and Moral Education

We will be studying Christianity, their practices, worship and morals.

We will also take part in our annual Harvest Assembly during the last week of term.

English/Literacy

Talking and Listening

Circle time/show and tell is on Wednesday morning, the children talk about experiences, learn to wait for their turn, listen to others & ask/answer questions. The children are involved with topic planning, discussing what they want to learn. We have weekly Listening Skills tasks. Children also meet with other pupils in their house teams to self and peer assess examples of their work.

Reading

~ PM Nelson/Oxford Reading Tree schemes and comprehension tasks. Children will participate in the Reading for Life challenge to encourage independent reading.

Writing

Personal writing weekly, spelling/phonics, grammar and dictionary skills are ongoing.

We will be working on topic related Descriptive Writing this term.

Expressive Arts

Art: P1-4 will have topic related art lessons as well as a focus on line drawings and colour mixing.

Drama: Exploring our emotions through drama with Miss Ross on Monday afternoons.

Modern Languages

Introduction to Spanish ~ numbers, colours and greetings.

Home Learning

Literacy and/or numeracy based (and sometimes topic related) homework for each class will be given on Tuesdays/Wednesdays to be returned on or before the Tuesday of the following week, thank you.

Interdisciplinary Learning Topic (IDL)

This term we are working on an environmental Storyline which will involve learning about local and Scottish produce, reducing, reusing and recycling as well as bird and insect biodiversity in our local area.
