Health & Wellbeing

PE lessons will be on Mondays and Wednesdays. On Mondays we will be focusing on orienteering skills and on Wednesdays we will focus on team games and Netball skills.

We will look at emotions and food; healthy, seasonal and local foods linking to gaining our Eco flag.

Home Learning

Spelling homework in each class is given on Wednesday to be returned by Wednesday. Please remember to sign your child's reading homework, and any extra reading they have completed for our Reading Challenge, thank you.

English/Literacy

Talking and Listening

Newsround

Presenting completed work to the rest of the class.

House captains introducing new pupils and speeches at assemblies.

Reading

Class reader 'The Firework Maker's Daughter' Pupils will be heard in their reading groups as usual and followed up with a task in relation to the story pupils are reading.

Writing

Our writing this term will focus on Functional Writing:

Fact files, posters (birds and eco posters)

News report on impact of people stealing rare birds' eggs

Persuasive writing and

Imaginative writing

Spanish

We will be learning about Spanish traditions and culture, learning greetings, numbers, colours and introducing ourselves.

Interdisciplinary Learning Topic (IDL)

Social Subjects

Our class topic is 'Birds' We will look at;

- Design bird posters.
- Identify characteristics of raptors, waterfowl, woodland birds etc
- Investigate the impact of egg stealing, loss of habitat.
- Create a fact file of different types of birds.
- Create a haven for birds in the school garden.
- Make bird feeders.

We are also seeking to gain our Eco flag and will be focusing on this on Mondays and Tuesdays as a whole school. Recycling, reducing waste: water, electricity, paper and food. Pollination and planning to encourage more insects into the garden; flowers, bug/bird houses.

The 7 Principles of Curriculum design are Challenge and enjoyment, breadth, progression, depth, personalisation and choice, coherence and relevance.
