By MISS MUSIEJ

# Lets get started!

## Ingredients:

- Tomato passata
- 2 Vegetable stock cubes
- Black pepper
- 1 clove of garlic

## You will need:

- Whisk
- 1 large bowl
- Garlic crusher if you have one
- Medium size pan

Into the large bowl with warm water put 2 vegetable stock cubes. Use whisk to dissolve them. Then put whole liquid in the cooking pan. Does it look like there is less or more in the pan?

Next we are adding tomato passata. What colour was before and after?

- Combine stock and tomato passata mixture using whisk.
- You can add black pepper and one crushed garlic clove for better taste.

You can add a bit  
of cream and/or  
have it with  
bread.
