Day of Dance - 'Jigs and Reels'

Thursday 30th January

The whole school is going to take part in this Nithsdale regional event. During our PE sessions, the children will learn the traditional Scottish dances that they will enjoy with a host of schools across Dumfries. The event will take place at St. Joseph's College during the school day and the children will be transported by minibus to the event. More details regarding this will be shared nearer the time.

School Menu Orders

It is imperative that all parents/carers place their child's order online prior to the week in school. The menus are already in place so we would really appreciate your support in discussing the options with your child so that the kitchen knows what food to order and prepare each day.

Kind regards,

Mrs Scriven and Caerlaverock Staff
