

# Term 3 News Wrap Up

## P1/3 Brownrock Visit to Caerlaverock Castle

P1/3 classes had a super morning visiting the medieval 'Caerlaverock Castle' as part of their topic work on "Castles". Although the castle itself is currently closed for conservation work, four fun activities were provided—hobby horse racing, castle snakes and ladders, dressing up and a visit to the videography room. The beautiful sunny weather made the morning even more enjoyable and, of course, we finished off with some adventure park fun!

Thank you for all donations to Comic Relief sent in on Friday 21st March. We raised the sum of £48.10 which has been sent on to the charity. ★

Another busy term has almost come to a close. Thank you all for your continued support —especially during the last three weeks when I have been focussing on Brownhall for the HMIe Inspection. Mrs Thomson, Mrs Caprani and Mrs McCubbin have done an excellent job at Caerlaverock when I have not been able to make it into the building so a special thank you to them.

From the staff and pupils at Caerlaverock Primary we hope you have a wonderful Spring holiday and we look forward to seeing the children back on **Monday 14th April at 9 am.**
