Learning and Teaching – Right's Respecting School (RRS) – Silver Award

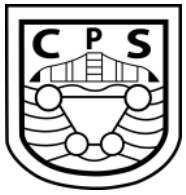

Since last session the children have been learning about different Articles found in the United Nations Convention on the Rights of the Child (UNCRC). Each fortnight, the whole school will work towards a new article within the UNCRC. This week, they have been developing their Class Charter / Playground Charter / Dining Hall Charter. This will help all children to understand that relationships are positive and founded on dignity and a mutual respect for rights.

Parental Engagement on our RRS Charter Work – invitation to visit the school...

We are having an informal drop-in session for parents/carers to come into school so that the children can share their Class, Playground and Dining Hall Charters. It will also give parents/carers the opportunity to meet with the teaching staff that work with your child over the course of the week. This event will take place on: Wednesday 17th September at 2.30pm-3.00pm.

UNCRC Articles of the fortnight...

- Article #5** - Your family has the responsibility to help you learn your rights, and to ensure that your rights are protected.
#42 - You have the right to know your rights! Adults should know about these rights and help you learn about them too.

Communication with parents / carers:

1. 'Mail Drop' - information for new parents

Each child will bring their mail drop wallet home from school, as and when required. We hope that this will provide an effective form of communication between school and home, allowing returns and monies to be sent safely to and from the school office. Newsletters (fortnightly) will be sent home on Wednesdays, via email, once all addresses are up and running. This will be sent from the school office account, thus allowing parents to respond if they have any questions or information to be sent in to share with the school staff.

2. Class Dojo

The class teachers correspond directly with parents / carers via this platform. This is a quick and efficient way of sharing learning that is taking place in school with photos and comments. Please make sure that you check these messages as sometimes the teacher informs you of something that may require a response.

Menu and Lunch Money

- P1, 2, 3, 4 and 5 children receive free school meals.
- All other children pay for lunches, unless your family has applied for Free School Meal Entitlement
- All lunches must be ordered in advance using the online ordering and payment system.
- If you need any support with these arrangements, please contact the School Office.

School day arrangements:

School starts – 9.00am

Morning interval - 10.35 – 10.55 am

****Please remember to provide your child with a snack for break time****

Lunch - 12.30 – 1.20 pm

School day ends - 3.10 pm

*****Can we take this opportunity to remind you to label all items of clothing*****

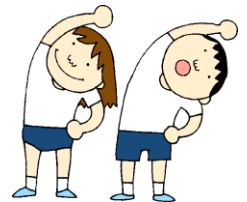

Physical Education

Our children will continue with the experience of changing into/out of their PE kit at school for the following reasons:

- a) P1-3 pupils are learning to dress and undress independently and learning to manage their belongings responsibly
- b) P4-7 pupils are addressing hygiene and building their confidence to change in privacy

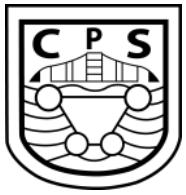

- PE days will be: P4-7 = Monday and Friday and P1-3 = Tuesday and Friday
- All children to please bring their PE kit to school on a Monday morning.
- Their PE kit will remain in school and will be sent home on a Friday afternoon.
- This will allow all children to participate in PE with their Class Teacher during the week as and when the opportunity arises – if weather changes
- Trainers are required for outdoor PE. If required, these can be brought in or worn on the respective days.
- Ensure your child brings a coat to school daily for both play times and PE as we will continue to have PE outside as long as the weather permits.

A reminder that under the Dumfries and Galloway 'School Dress' policy, the wearing of football colours in school is unacceptable. Your support is appreciated with this matter.
