

Santa Dash Rocks!

The whole school and Glencaple community got into the true spirit of Christmas on Wednesday 3rd December when they came out in support for this year's fundraising event -

'Santa Dash' and Coffee Morning

P1-7 pupils challenged themselves to run a 2Km or a 5Km race around the track. Officials supervised the children and adults as they pushed themselves or motivated one another to keep going. Fortunately, the rain held off for the morning, even though it was still a chilly day.

After the dash, members of the local community warmed up inside the school to enjoy tea, coffee and cake and to chatter with the children, family and friends.

Senior pupils above and one of our parents, Kelly with some of her little tots from 'Kelly's Kidz Care' who also took part in the sponsored event – thank you!
p.s. Well done to other Mums/Dads who ran with their child/ren – my photos are genuinely a 'blur' as you ran by!

Thank you... the donations from the sponsored event keep coming in and we really appreciate your support to raise school funds. Everything we do is for the children's experiences both in and outside the classroom. This event showed such resilience and determination from each pupil, and we made sure to celebrate and acknowledge this in our Assembly 😊
(Please return all donations and forms by Friday 12th December)

Caerlaverock News

Look at all the happy smiling faces 😊 of the children, parents & carers, siblings grandparents, aunties, uncles, past members of staff and local community members from the village and Caerlaverock Community Association.

We had extra help from the S6 pupils who made a *return* visit to Caerlaverock (since our Craft morning) because they really enjoyed their time helping the boys and girls. Thank you, Dumfries High School!

Donations of cakes, traybakes and purchasing £1 Lucky Squares is greatly appreciated.
