Catrina

On Thursday 28th February 1994 I woke up in my bed like normal but the house was moving in a zig zag way. My brother Robbie was in my room cry as he was only 2 years old but sounded like my dad David and my mom Swan and me Eilidh. After I got out of bed and looked for my pug Paisly. Paisly was in my room in her bed. Then I franticly looked for mom and dad but they weren't in the bedroom or the living room or kitchen so Robbie got scared.

"MUMMY, DADDY WHERE ARE YOU!!!!" Robbie

Screamed he got so frightened to speak. Paisly ran into me. Paisly ran into me because she was in Robbie's bed accidentally and given bad eyes for life which meant she was blind. After she ran into me she walked into our photocopier then I had to hold her in my arms so she didn't walk into anything else.

"MUM, DAD, WHERE ARE YOU!!!!!!!"

I just screamed at the top of my lungs then Paisly ran to my room because she was scared.

"PAISLY COME BACK HERE NOW OR YOU COULD FALL OUT OF THE WINDOW!"

I shouted out to Paisly. But I heard this giant THUD what just happened. I RAN extremely scared it was really just Paisly running into a wall.

"ROBBIE WHERE ARE YOU AND WHERE DID YOU

"ROBBIE WHERE ARE YOU AND WHERE DID YOU PUT MY PHONE!!!!"

I randomly screamed at him mum and dad tried phoning me soon sorry I mean at 22:00 pm 10 o'clock at night I'm so tired wait I'm dreaming I'm awake so I am - is Robbie still with me I shouted something I can't tell because it is a bit rude Robbie and I are floating down to space Robbie is blue and it is my BIRTHDAY I'm twelve today I'm so happy to speak

"MUM, DAD I HEAR YOU KEEP SPEAKING

to die as he opened a window and is breathing in bad
air.
