

Alien Adventure At St Graindens By Senen
In Cornwall lives the Matcher family Eliza and Chriss Matcher the parents of twins named Bryson and Bella Matcher and the youngest Saphier Matcher. This year Saphier along with her best friend Sadie Clatchen are going to St Graindens. Even though they are both really nervous there just as excited anyway Bella and Bryson will be there so what is there to worry about. As she was packing Sadie called her and asked her to go to the park so she agreed to come. As she was walking she heard a strange buzzing noise but the big question was WHAT WAS THAT? So she looked up and there was nothing there so she just decided to keep walking and tell Sadie when she got to the park. "Sadie guess what I heard it was this strange buzzing noise but there was nothing there!" "Oh well I just wanted to come and check that your ready for tomorrow bye" "Bye see you on the train tomorrow."

So Bella, Bryson and Saphier are at the train station meeting up with Sadie's parents. "I'm so sorry that we couldn't take Sadie but there was just simply not enough room" "It's fine Eliza I understand" "Oh well what are we waiting for both of our girls are going to St Graindens and we should be happy not apologising to each other" "Well said, Chriss" "Ok the train leaves in 15 minutes so we better get a move on" "Ok lets go"

A few minutes later they were all at train station kissing and saying goodbye

"goodluck kids, Bryson and Bella look after Sadie and Saphier"
"also make sure they don't get into any bother"

"we will mother"

"ok bye love you's"

"yes bye"

"bye see you next month"

"love you"

As Saphier headed onto the train a single tear rolled down her cheek but Bella must of noticed because she came over

"are you ok"

"yeah fine"

"really I think a know when my own sister is upset come on say goodbye to mum and dad and then lets go and get the best seats on the train"

"Ok mum dad bye"

and with that they were on the train and almost at St Graindens.

"Hello" came a beaming voice from behind them "I am Sally Grainden head of St Graindens and this is my Daughter Lainy Patcher"

"hello what new grubby students do we have this year?"

"Now thats enough Lainey"

"fine mother"

"ok Lainey give the two new girls a tour of the school oh hi Bella and Bryson."

"Hello Miss Grainden"

"bye darling"

"bye mother"

and with that Sadie, Saphier and Laney were of.

"So if you want to go into this room then your welcome to"

"OK thanks."

So they went inside but there was somebody inside but before they new it they were traveling and turning "Aghhhhhhh!"
