My Story a waits in Space. Chapter 1

One Morning in a lovely town called Whoville,
But Let me tell you something - Nobody
knows about it. There is something stranger
about Whoville. But I will tell you later lets
get on to the story. This man called
Billy was the first man in space and he
didn't want to come back down to earth
so he stayed there for a couple of days
until he saw his worst nightmare. The
next day he hid and was thinking about
where would he live lets find out.

Chapter 2

That night he heard a word saying
"help me". Billy got so so so scared and
hid in his rocket. Suddenly he accidentally
nudged a controller and the rocket went shooting
up into the sky and some marvellous
fireworks popping out the back but no
one new way it happened lets see.

Chapter 3

That morning Billy's worst night more come
and put more fireworks so they can be
friends but he does not think that will
happen. When Billy woke up he notice that
the monster was gone he was so
worried about the monster he started crying.

Chapter 4

So Billy went and nudged the button
agin and all the fireworks went shooting
up and the monster was too. Billy
was so happy they lived happy ever
after. The End...
