	<b>Please tell us about any changes or things the school can do better.</b>	
Playground Equipment	They should have more things for people to play on.	29
Behaviour	Try and make sure there is no bullies. Not talk as much when you are working. Be a bit more stricter on behavior even if people cannot help it. Give the children a better consequence if they hurt other people's feelings. Just be kind. Some teachers need a wee bit more respect.	13
Dinners	Keeping the lunch hall clean so classes can do PE without having food on their shoes. In the dinner hall they should make the floor not sticky because sometimes it is sticky. I think the dinner ladies should be more happy and not making us eat what we don't want to. I think the dinner ladies could be a bit more organized with the food because lots of people don't get what they ordered. Make the dinners nicer. I think they need to put more vegetables in their soup. The food is good. A bigger menu variety such as vegan items for vegans because everyone doesn't like that much meat. Bigger portions at the school dinners and recycling bins for all the plastic we WASTE!	13
PE	Give us more time to do the mile. More PE time. I think it could do better by encouraging more people to do more sports. Better PE Equipment.	11
Cleaning	I think the cleaning should be sorted because the toilets are too rank and disgusting. I think the school could do better with cleaning. Keep stuff a bit more tidy.	7
Litter	I think you school could get better at putting our own rubbish in the bin	7
Maths	Give us harder maths. Get easier maths. In maths, explain fully why we have to do this. Not just do this, because it's the way it is.	7
Reading	Better reading books.	6
ICT	Making sure that the laptops are on charge. Better computers.	4
Playground Behaviour	Maybe staff can keep an eye on what people are doing with the playground games. Try make staff not teachers more interested in helping pupils with friend wise situations and if they fall over and hurt themselves. Staff to say more than stay away from them when you get bullied. Make the staff move around the playground.	4
Learning and Teaching	Make work more easy. Make work more fun. The teachers could maybe help the students out with they're work a bit more since some of the students might not get the work that's happening so they need a bit more help at it instead of struggling.	3
Library	Keeping books safe so don't get damaged. The way the books are put back in the library. More books by Cressida Cowel.	3
Class Resources	More class toys. More Golden Time games.	3
After-School Clubs.	I think that school could do more after-school sports.	2
Events	They can try to hold more fun events such as Red Nose Day. More celebrations on special days.	2
Music	Get more music instruments.	2
Property	Better locks on the toilets. In the hall have seats for the older (P7, P6/7) in the hall.	2
Ethos - Inclusion	If they don't single out people like in nurture group.	1
Helping	Help me with coping strategies.	1
Homework	More homework.	1
Swimming	Let everyone in the swimming pool at the school.	1
