| <p><u>Watch</u> Michael Rosen reading his story 'The Bear Hunt' with your family and try to retell it in your own words.</p> | <p>Have a Teddy Bears Picnic with your cuddly toys. Make some marmalade sandwiches like Paddington and practise cutting them into halves and quarters, triangles, rectangles and squares. Enjoy!</p> | <p>Make a home for a bear using materials from around your house. If you'd like to you can send a photo on the class e'mail.</p> | <p>Use your number line to point and count up to 20, and then try to count all the way back as well!!</p> <p>Next step: cover some numbers up then see if you can remember what they say.</p> | <p><u>Practise</u> your qu, oo,ee and or sounds, using these Geraldine the Giraffe clips to help. Think of words that have these sounds in them and see if you can use the sounds in your bag to spell them</p> |
| <p>After you've watched the Bear Hunt story talk about the different places the children go and draw a simple map showing these places</p> | <p>See how many different 3d (solid) shapes you can find around your house! Make sure you tell someone what their names are!</p> | <p><u>Enjoy</u> some yoga about The Bear Hunt. And relax!</p> | <p>Board Game: Write the numbers 0-15 randomly on your empty board. Roll a dice and when you land on a number see if you can say it.</p> <p>Next step: when you land on a number see if you can find 2 numbers that add together to make it.</p> | <p>This week's tricky words are 'he' and 'she'. Please ask an adult to write them on your wall and then practise reading, writing and using these in conversation.</p> |
