

Hello Primary 1! We hope you are having an enjoyable time at home and taking care of yourselves!

### Welcome to *Guess the Word - CVC Game!*

A *CVC* word is a three letter word using only single sounds ie. j e t = jet

1. Look at the first picture and guess the word.
2. Can you say what sound it starts with, or guess all the letters in the word?
3. Can you use your sound cards to make the word?
4. Can you write the word in your book? Make sure to form the letters properly and write them correctly on the line.
5. Scroll down to the next page and see if guessed correctly!

There are ten words in total. Perhaps do the first five and then come back for the rest another day, or complete the whole task if you'd like. Take your time and do what feels right.

Happy phonics!
