Since we've been at home a lot this week, it's important to keep moving! We've been joining in with the Joe Wicks videos every morning and it's very fun. This is an activity on the grid this week, so feel free to join in too! 9am on The Body Coach Youtube.

I've been helping Miss Conacher make meals at home this week. We've been having porridge for breakfast. One of my favourite foods! I like banana in my porridge and Miss Conacher likes strawberries in hers. Yummy!

It's lovely to spend quality time together and relax. I love listening to stories about other bears, in books and in movies. We've been watching Winnie the Pooh - one of my very good friends. He likes honey just as much as me!
