

# Castle Douglas Primary School Weekly Learning - Week Beginning 30/03/20

Please feel free to email me with any pictures of your learning or with any questions you may have at P56CDPS@gmail.com

## Maths Sumdog

Keep working on your P5/6 Sumdog Challenge.

## Maths Numeracy

NRICH Maths

<https://nrichmaths.org/13787>

Lots of games to revise all of our previous learning, choose any you like from the page. Have fun!

## Maths Outer Numeracy

Treasure hunt outdoors or in. Choose a piece of treasure to hide and then give someone in your family instructions to find it using Forwards, Backwards, right, left, how many degrees do they need to turn etc.

[Pirate Map](#)

KS2 \*\*\*

If you can complete the Pirate map please do and if not perhaps you could make your own and email it to me.

## Maths Times Tables Group

For the 8 times table write number stories including dividing and Fractions. Can you write the Fraction as a %?

Example:  $8 \times 3 = 24$

$$24 \div 3 = 8$$

$$1/3 \text{ of } 24 = 8$$

$$1/3 = 33.3\%$$

Times table ping pong 2x 3x 5x

## Literacy Read a variety of texts

Read the next 2 chapters of your book and make a list of interesting NOUNS, VERBS and ADJECTIVES you can find.

Who is your favourite Character so far? Can you draw and send me a picture of them?

## Literacy Practise spelling words

Practice your groups spelling words by clicking below

[Spelling Words](#)

Choose any of our active spelling activities to learn your weekly words.

## Literacy Writing Ideas

Getting mail is always nice, can you write a letter to a loved one you are not able to see at the moment for example a Grandparent or other family members.

## Literacy Talking & Listening Ideas

Play 'Who am I?' or 'Where am I?' with a partner.

Example: I am a Wizard, with a scar on my head, I go to Hogwarts and I love magic' who am I?

You can email me and I will play the game with you also.

IDL (Inter-Disciplinary Learning)

Art - Observational drawing

We have been working on our drawing skills in class recently can you go into your garden and choose something to draw for example: flowers or any nature you can see. If you are not able to go outside just now perhaps you can look out of your window to complete your art activity. I would Love to see your Art so please email it to me if you can.

IDL  
Cosmic Kids Yoga and Mindfulness

Go on to you tube and search for

"Cosmic Kids Yoga"

Choose any of the yoga workouts from Moana to Harry Potter; can your whole family join in?

IDL - Digital Technology

Go to the website

[www.code.org](http://www.code.org)

Can you try out the block programming courses? Learn all about computer science or create your own apps, drawings and games. Remember to share your learning with us.

IDL

Design and construct your own fort either in your garden or inside using blankets etc. See how creative you can be, what different areas will your fort have?

Remember to send us a picture of you playing in your fort. We are looking forward to seeing your creations!
