Don't forget to use the class email address to keep us updated about what you're getting up to!  
We'd love to hear all about it!

I wanted to learn more about bears just like you! So I asked my good friend Chu to tell us about his life as a panda! He said:

- I have black and white fur.
  - I eat lots of bamboo.
  - I come from China.
- If I live in the wild, I'll live to be about 20 years old.

Miss Conacher and I had a game of I Spy in different rooms in the house. I won the game - can you tell from the tally marks we used? I got a honey sandwich as a prize - delicious!

We did some baking on Wednesday. We made banana bread - I had never tried banana bread before but I really liked it.

Miss Conacher has been going out for her one walk a day, and if I'm not too sleepy I come along too. We've been going to the local woods. I like to try and spot different animals.
