Easter Holidays 6/4 - 17/4

Don't forget to use the class email address to keep us updated about what you're getting up to!  
We'd love to hear all about it!

It has been very strange not coming to school every day and I've been missing you all! I've been reading through my diary and remembering all of our amazing adventures!

Miss Conacher and I have been taking part in quizzes with her friends online. It's been very fun. My favourite was the Disney quiz!

We've been going on our daily walks and soaking up the glorious sunshine!

We've been doing lots of cooking and baking. So far my favourites have been vegetable soup and apple crumble - delicious!

Miss Conacher and I decided to make salt dough Easter decorations from the ideas on the holiday grid. I liked watching them cook in the oven!

Hope you've all had a lovely time over the last two weeks!
