

Castle Douglas Primary School – Primary 2/3 Home Learning – Week Beginning 20.4.20

<p><u>Weekly reminders</u> Practice key words in your zip case and on the word sheet. Tell a family member what the day, date and weather are in French. Look at Monday's date - it's a good one! Can you explain why to a family member. Watch Newsround and discuss the issues that come up. Remember to look for The Happy News and The Strange news!</p>	<p style="text-align: center;"><u>Our Town</u></p> <p>Have a think about your favourite place or building in Castle Douglas. Draw it in your green jotter and write some sentences about it and why you like it. Remember to use capital letters and full stops and try to add in some good adjectives (describing words).</p>	<p style="text-align: center;"><u>Owl Babies by Martin Waddell</u></p> <p>Listen to this story about baby owls by clicking on the link above. Can you make your own baby bird and nest from things in your garden or that you find on a walk? Have a look at these webcams from The Wildlife Trust. They show lots of different animals but because they are live webcams you have to be patient and check regularly sometimes they just show birds sitting on the eggs! Also because some of the animals are nocturnal they don't become active until just before it gets dark. Try this bird feeding game to see if you can raise your own baby birds!</p>	<p style="text-align: center;"><u>Spelling</u></p> <p>Badgers - week 25 Use this website to practice your spelling words. Squirrels - week 28 Use this website to practice your spelling words. Hedgehogs - week 12 Use the phase 3 games here to practice your words. Rabbits - week 3 Use the phase 2 games here to practice your words. All use year 1 on this game to practice some tricky words</p>	<p>You can use Geraldine the giraffe clips on youtube to help you learn the new sound pattern. Please complete spelling homework and workbook for that spelling pattern. Squirrels it's not the next page but the oilcan one. Try some active spelling ideas (see separate sheet) to help learn your words.</p>
<p style="text-align: center;"><u>CDPS Life skills</u></p> <p>Choose 2 of the activities on the list to try this week. Try to complete them more than once so that you feel confident about them.</p>	<p>Try this Cosmic kids owlet yoga. Relax and enjoy. Also you can join in with the Joe Wicks kids workout at every day by clicking on this link.</p>	<p style="text-align: center;"><u>Baby birds</u></p> <p>Try to make your own baby birds from junk inspired by this idea. You can use any size of box and you can decorate it any way you want to. When you've made it you can try to feed it with pom-poms or balls of paper. Turn it into a game - see who can get the most in the bird's mouth, first to 10 wins!</p> <div style="text-align: center;">  </div>	<p style="text-align: center;"><u>Art</u></p> <p>Have a look at Little dot creations website. This is a local artist based in Kirkcudbright who makes wonderful, detailed pictures. She has also created some free downloads for you to make you own creations. Have a go at one or all of them and you can share your creations with us and the artist if you want to.</p>	<p><u>Robins and Parrots</u> Reading comprehension 'The Fruit Bowl' <u>Hummingbirds,</u> <u>Skylarks and Doves</u> Reading comprehension 'A Week's Weather' <u>Puffins</u> Next page of Read, write and Find. Writing Sentences booklet complete the 'What colour is it ?' page.</p>

<u>Maths</u>	<u>Triangles</u>	<u>Rectangles</u>	<u>Circles</u>
<p>Do you remember the work we did on grid references? Here is a reminder click on the L shaped link and have a go at finding the references.</p> <p>Try a game of battleships using grid references. You can use the blank 100 square in your pack. Here are the rules and grids to print if you want.</p>	<ol style="list-style-type: none"> 1. Try this colouring grid reference sheet 2. Try Position, Movement and Angles activity 1 3. Try Position, Movement and Angles activity 2 4. Roll 2 dice. Work out the total score (do this through a game e.g. snakes and ladders). If you don't have 2 dice try the 'free dice app' or use this link. 	<ol style="list-style-type: none"> 1. Try this colouring grid reference sheet 2. Try Position, Movement and Angles activity 1 3. Try Position, Movement and Angles 3 4. Domino Sums Choose 2 dominoes and add the dots. Write the sum! How did you work it out? Did you see any number patterns, e.g. doubles? 	<ol style="list-style-type: none"> 1. Try this colouring grid reference sheet 2. Try Position, Movement and Angles activity 1 3. Try Position, Movement and Angles activity 5 4. 2 digit numbers Roll 2 dice and write down a 2 digit number. E.g. roll a 3 and a 4 to make 34 or 43. What is the number?(can you recognise it?)What are the 3 numbers before and after? Try other examples. 5. Start at 30. Count forward 3 tens. What is your number? Try other examples. Try counting back too.
