

Guess the Number! 0-10

Can you guess the number underneath the bubbles? Here's how to play this game:

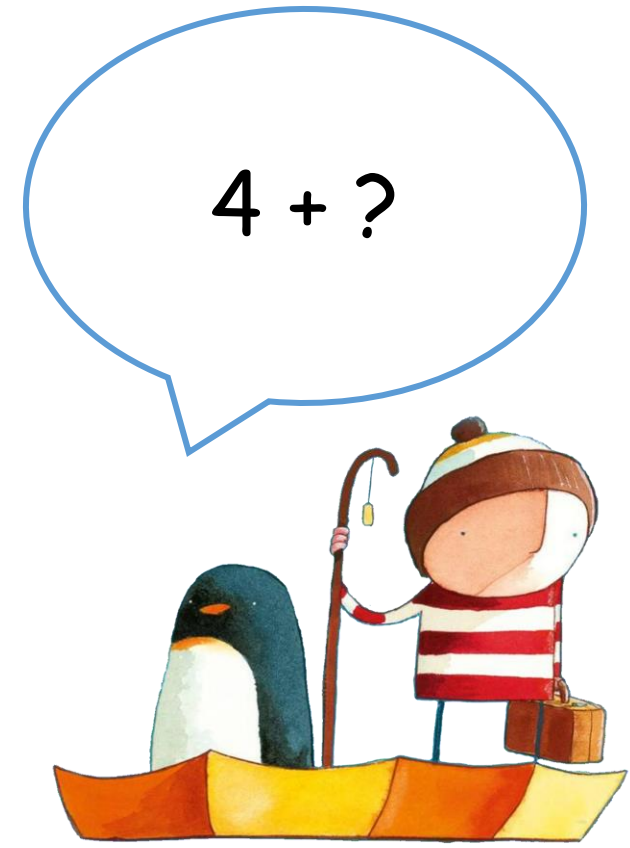

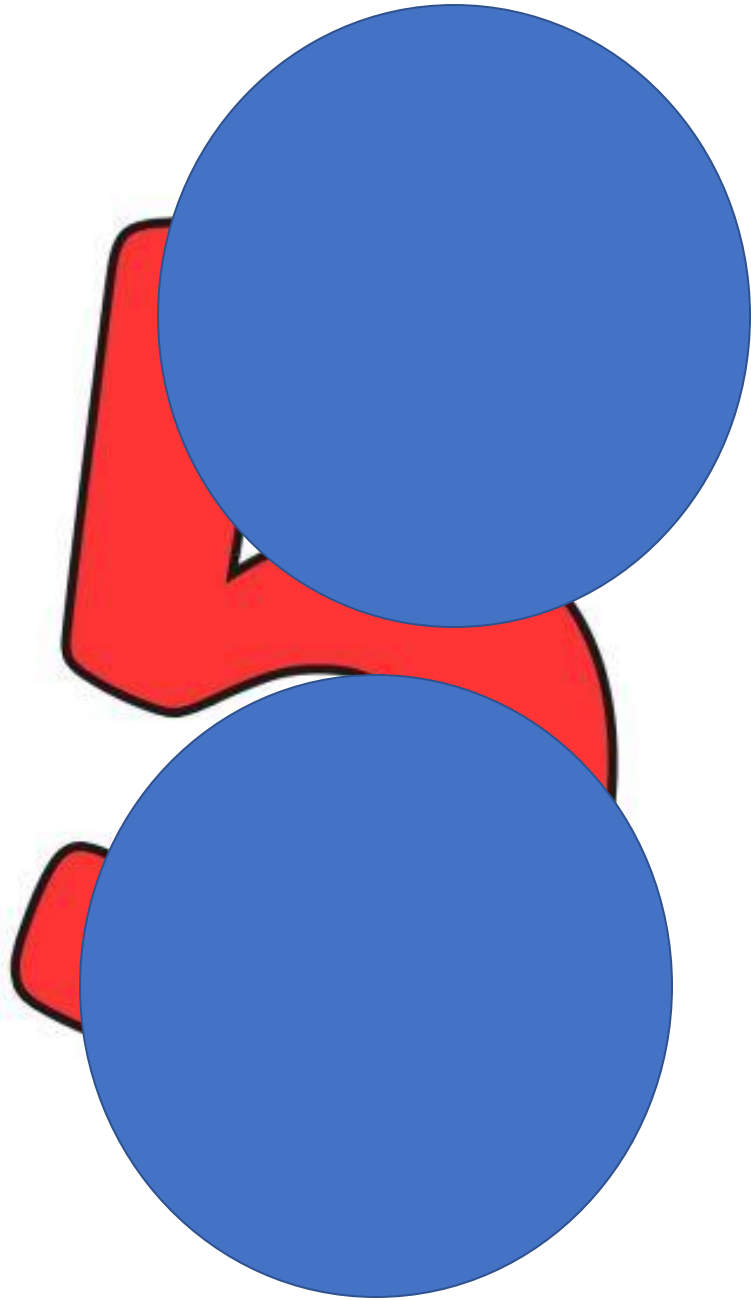

1. Guess the number hidden under the bubbles.

2. Help the boy and his penguin friend figure out an adding sum to make the number you have guessed.

Name the number!

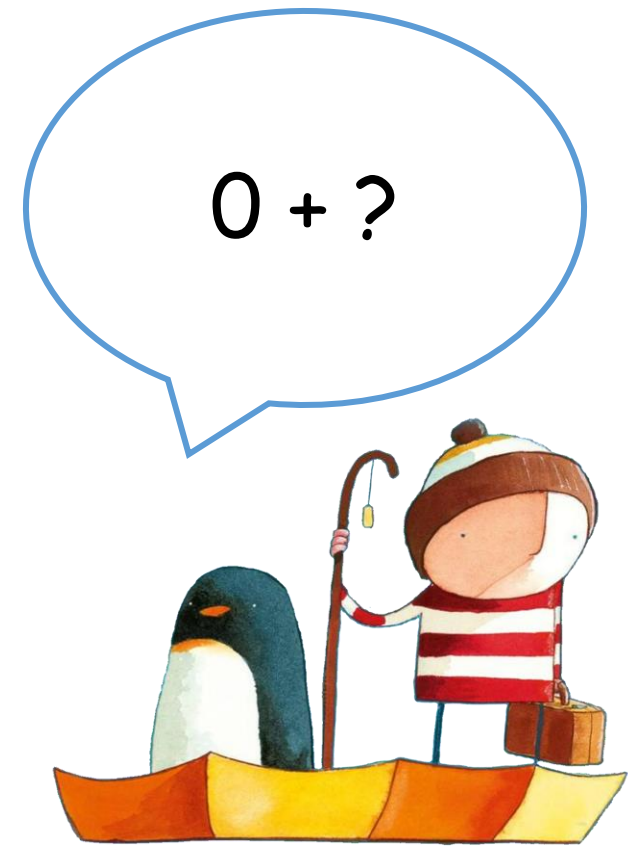

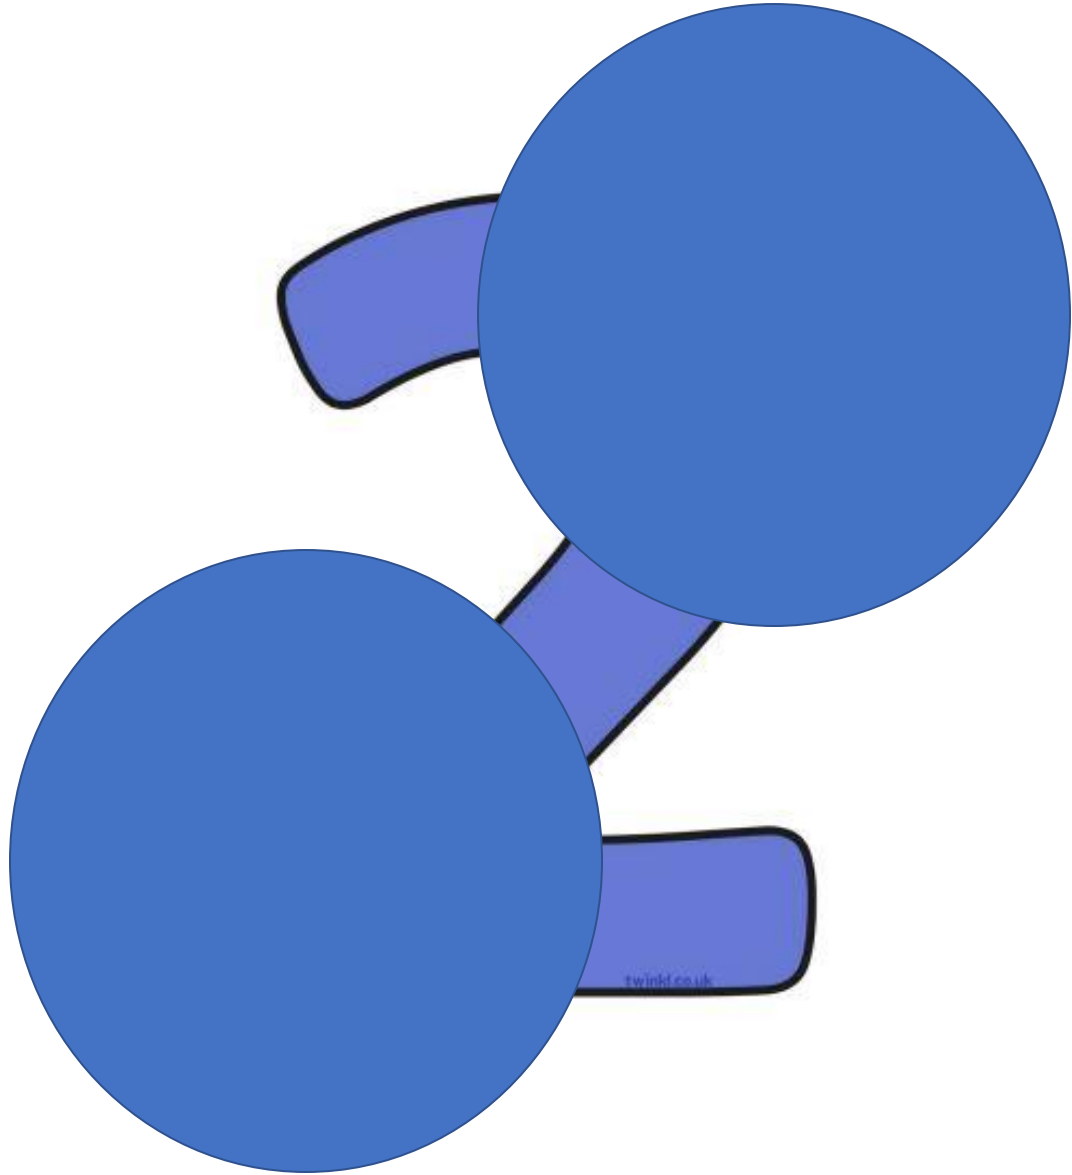

Name the number!

5

$$4 + 1 = 5$$

Name the number!

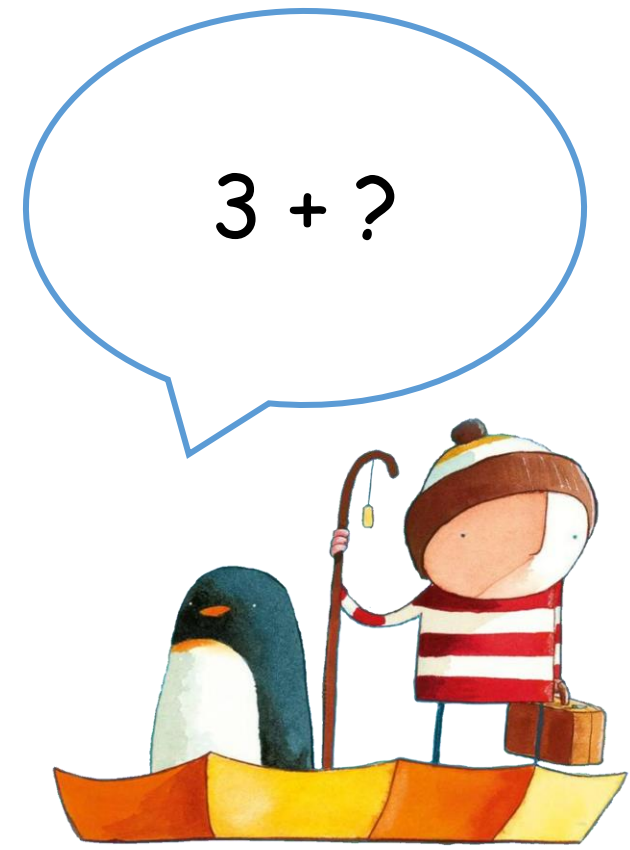

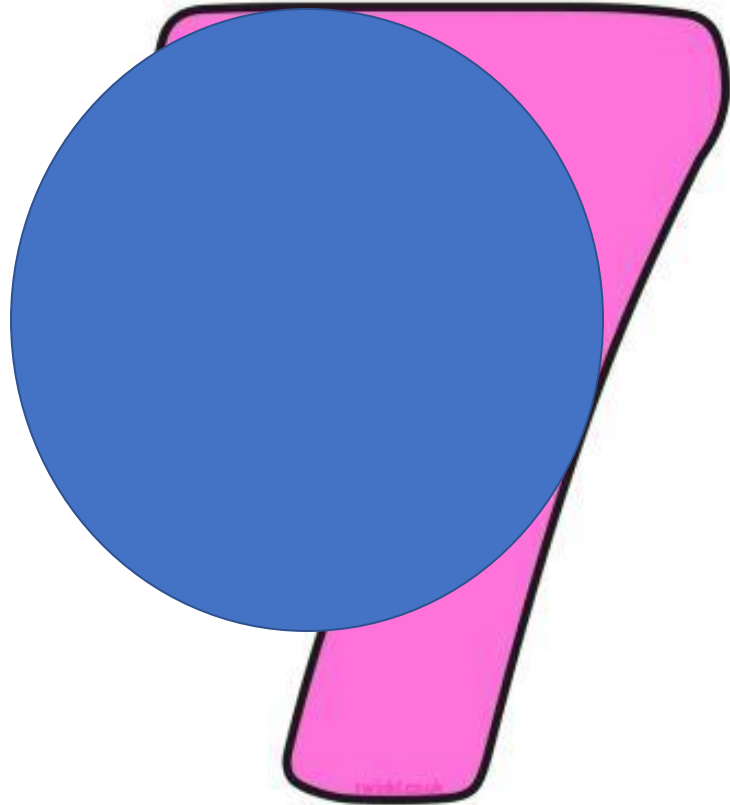

Name the number!

$$0 + 2 = 2$$

Name the number!

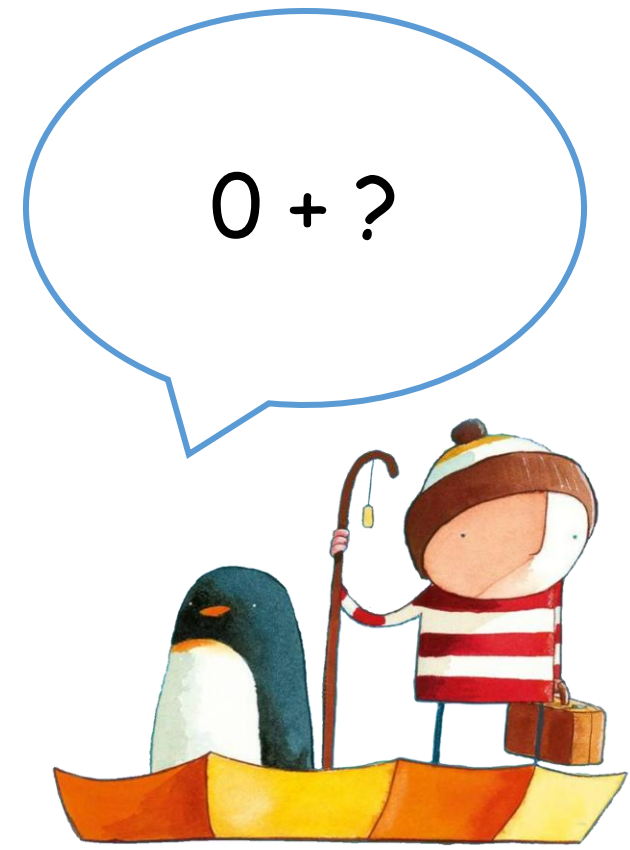

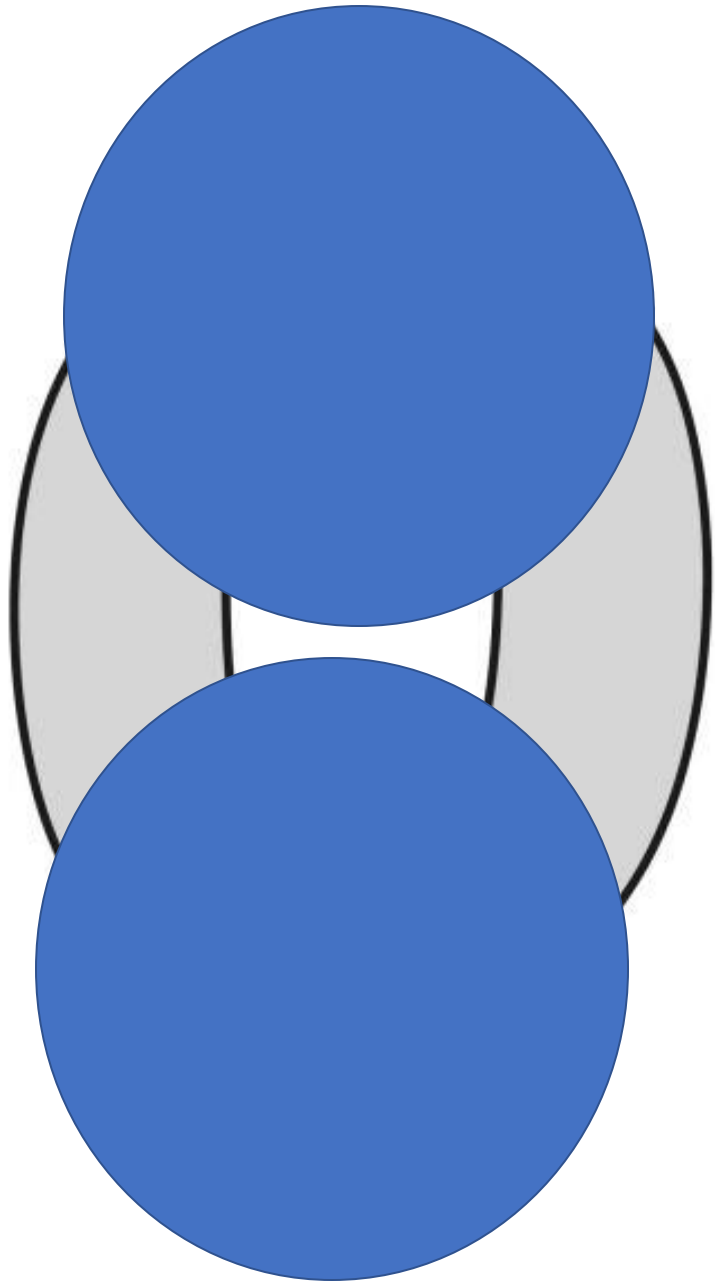

Name the number!

7

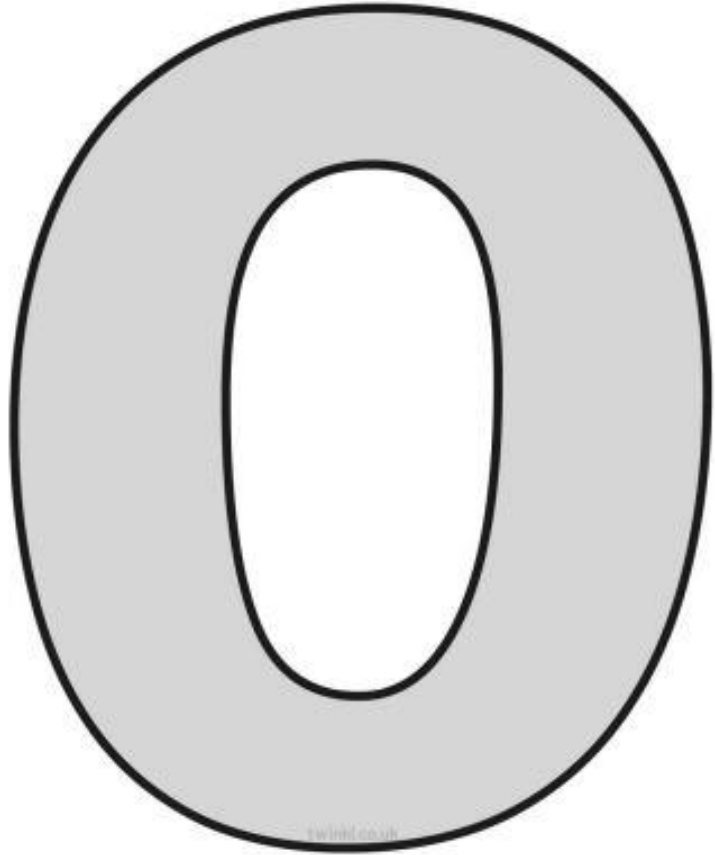

$$3 + 4 = 7$$

Name the number!

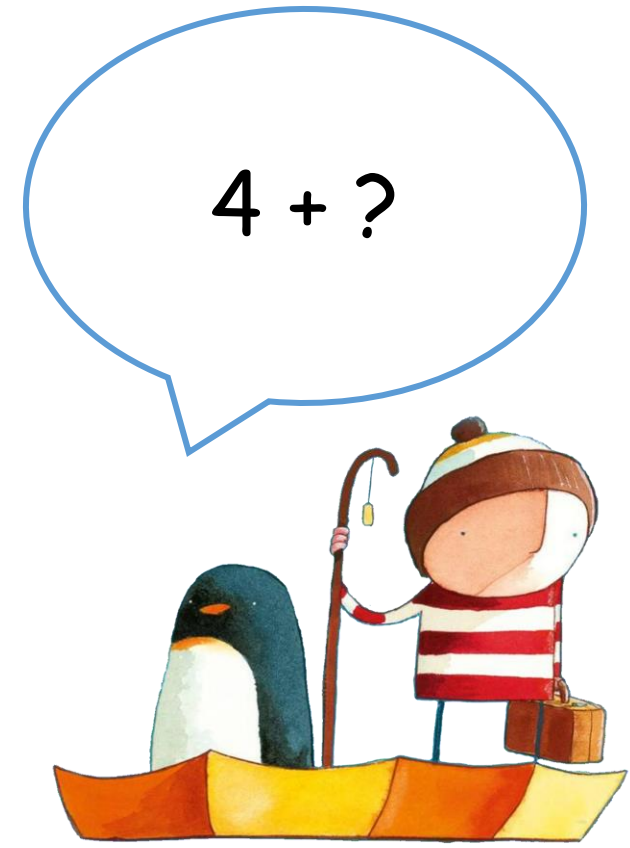

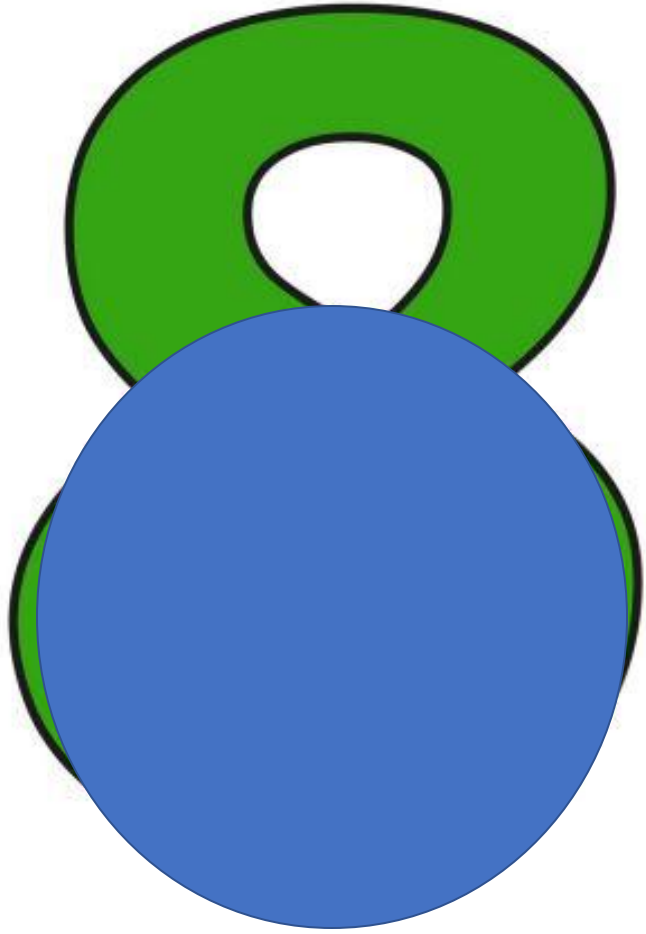

Name the number!

$$0 + 0 = 0$$

Name the number!

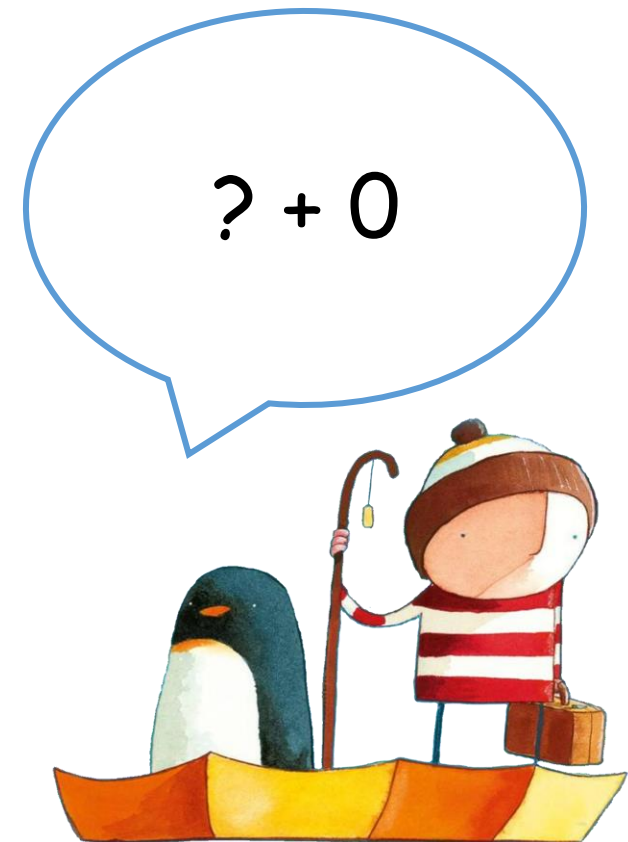

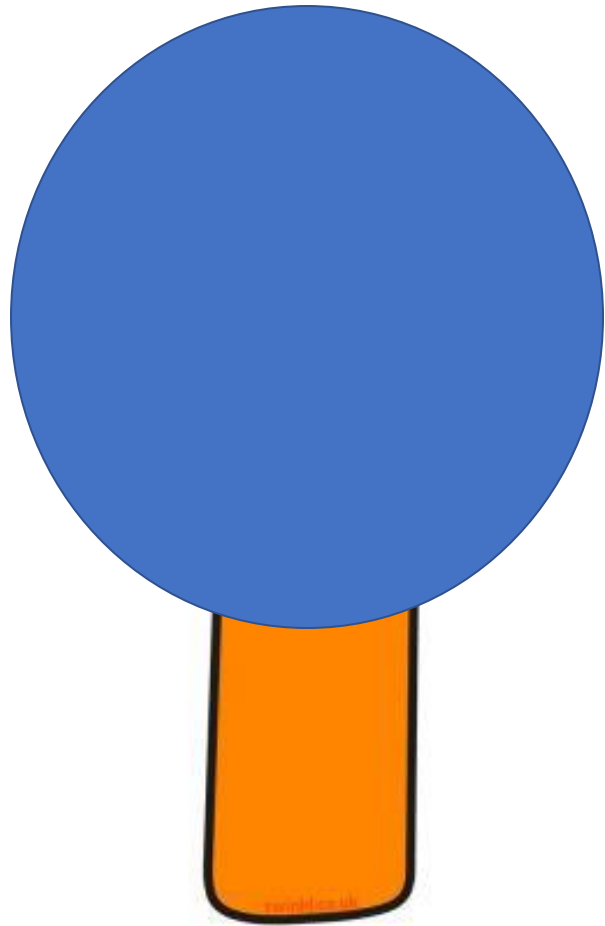

Name the number!

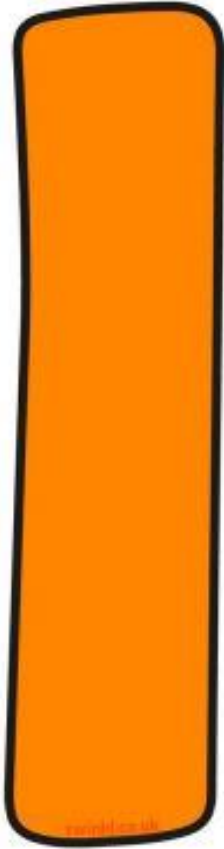

$$4 + 4 = 8$$

Name the number!

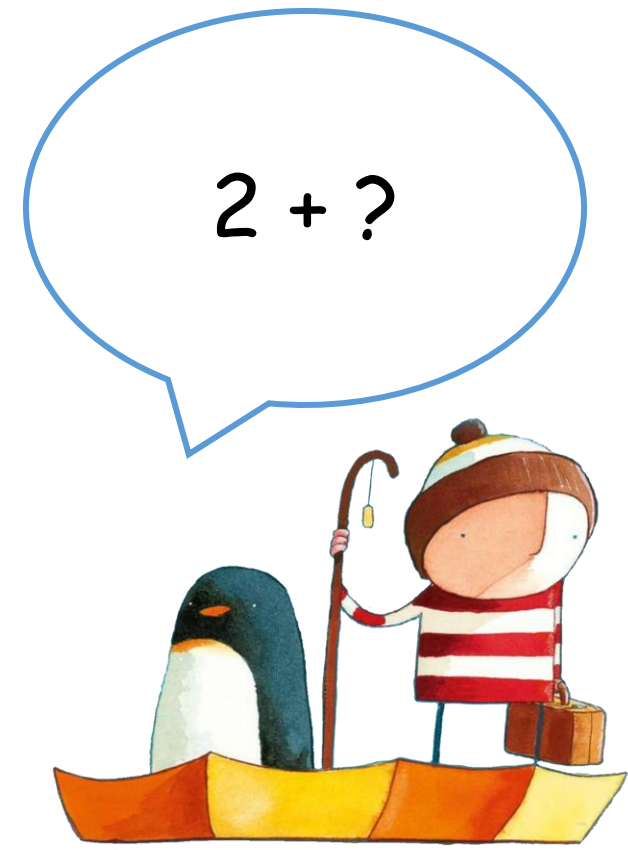

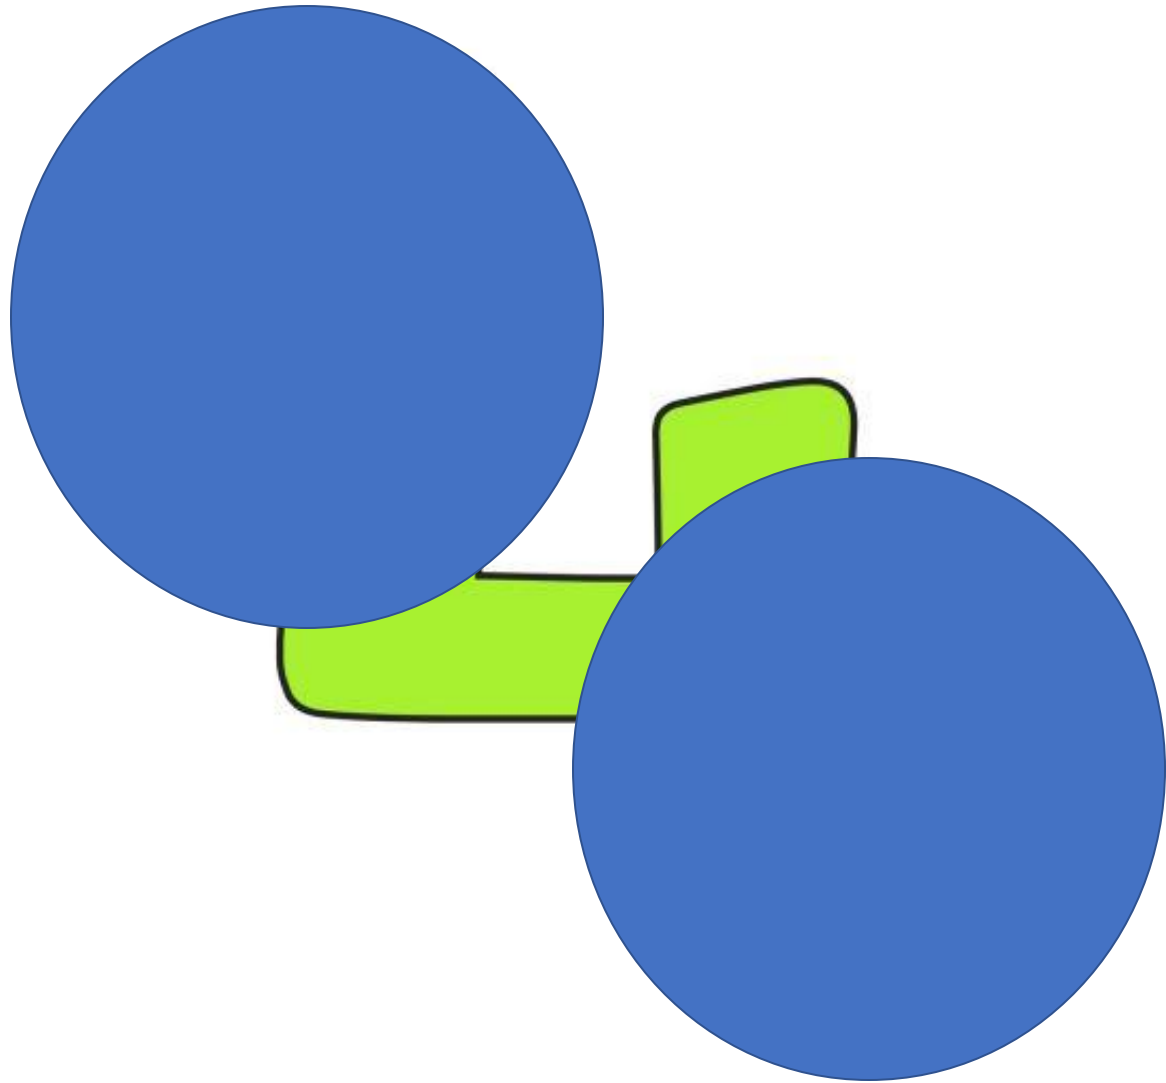

Name the number!

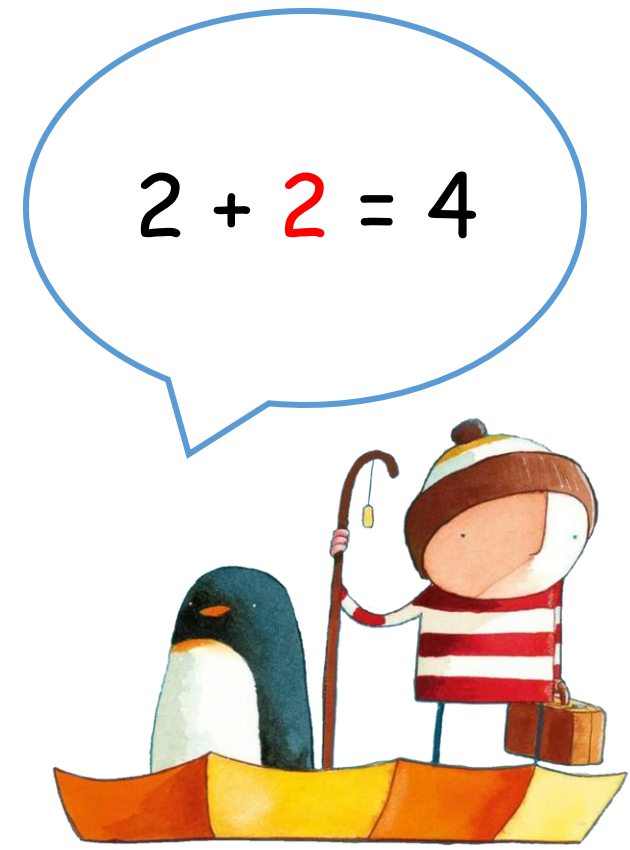

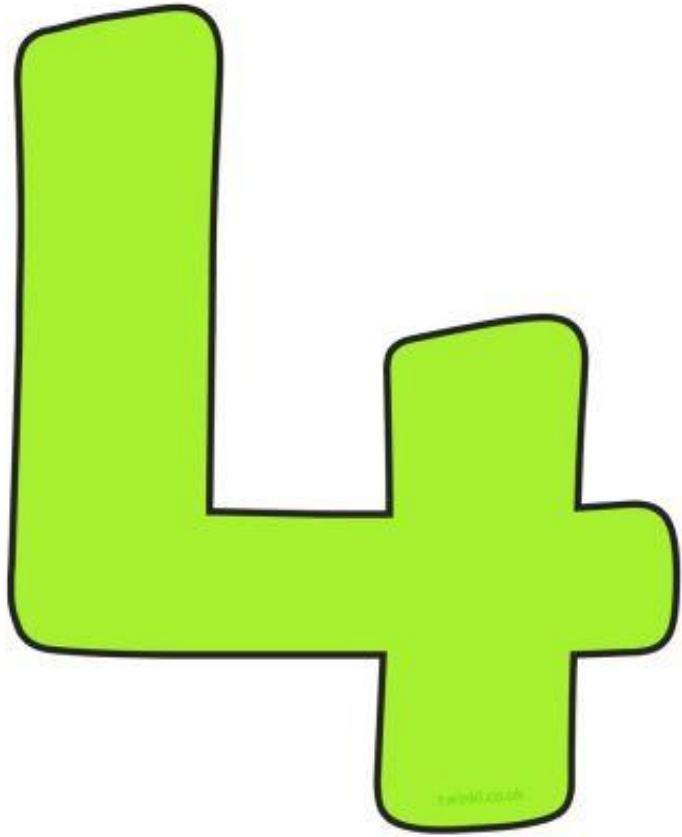

$$1 + 0 = 1$$

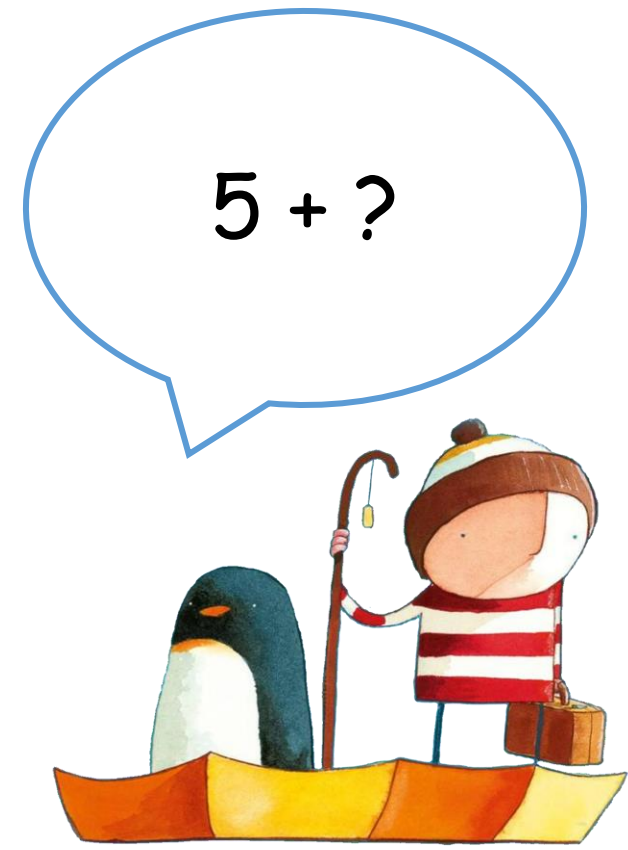

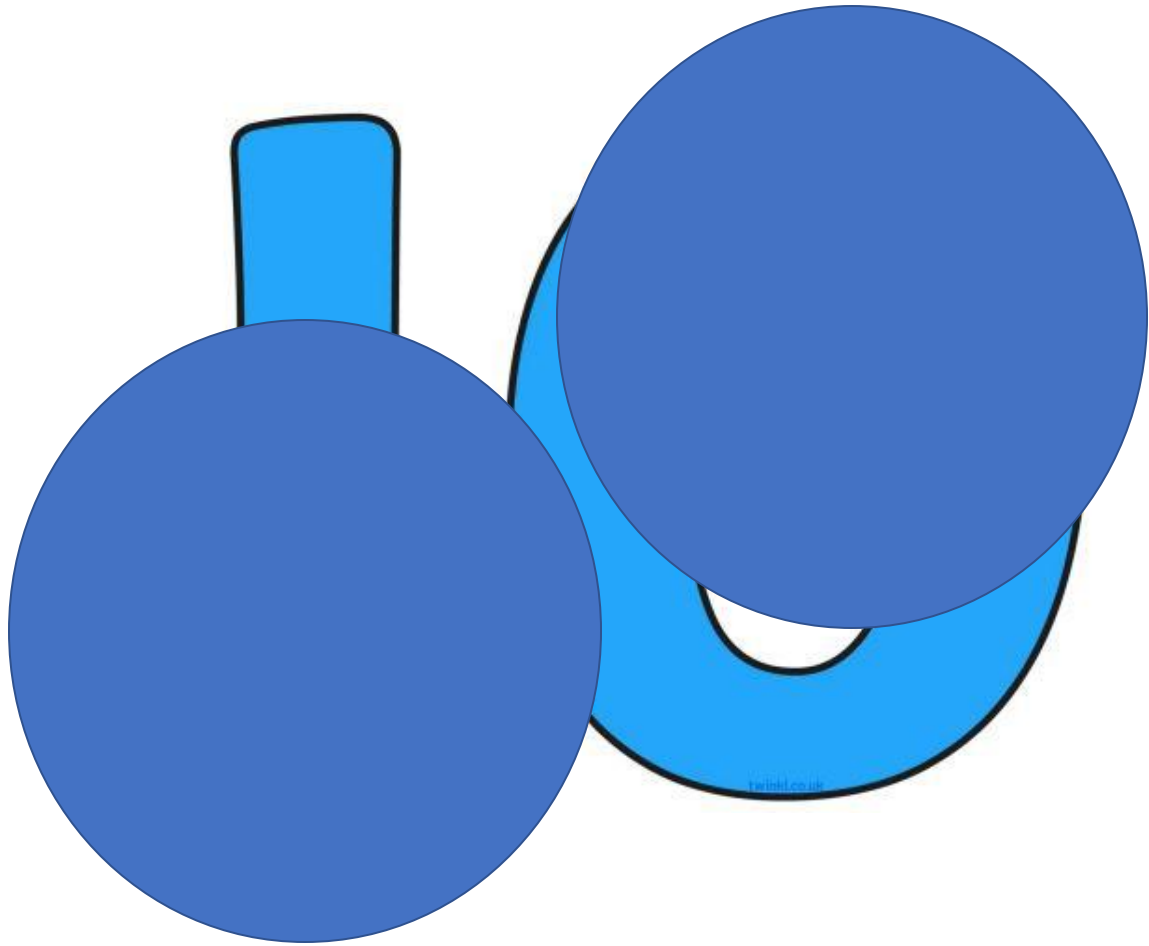

Name the number!

Name the number!

Name the number!

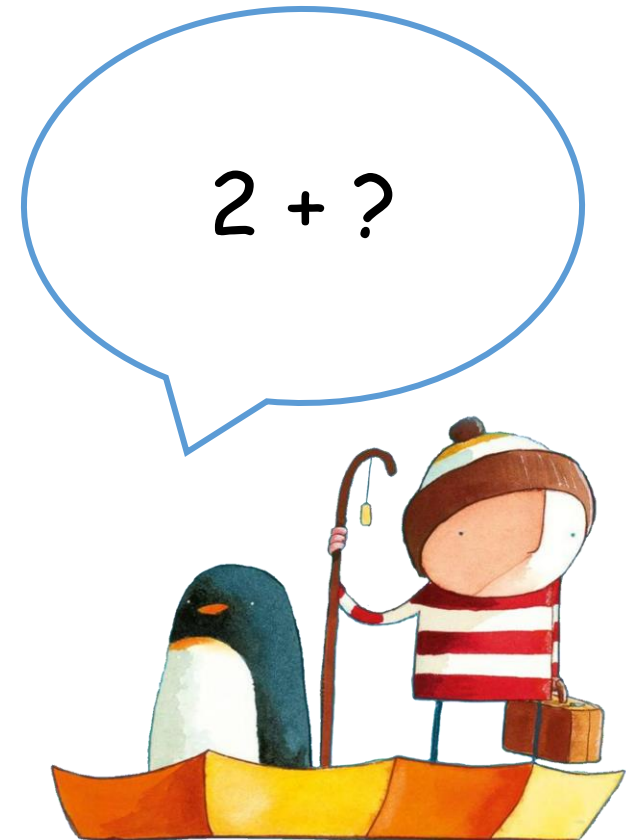

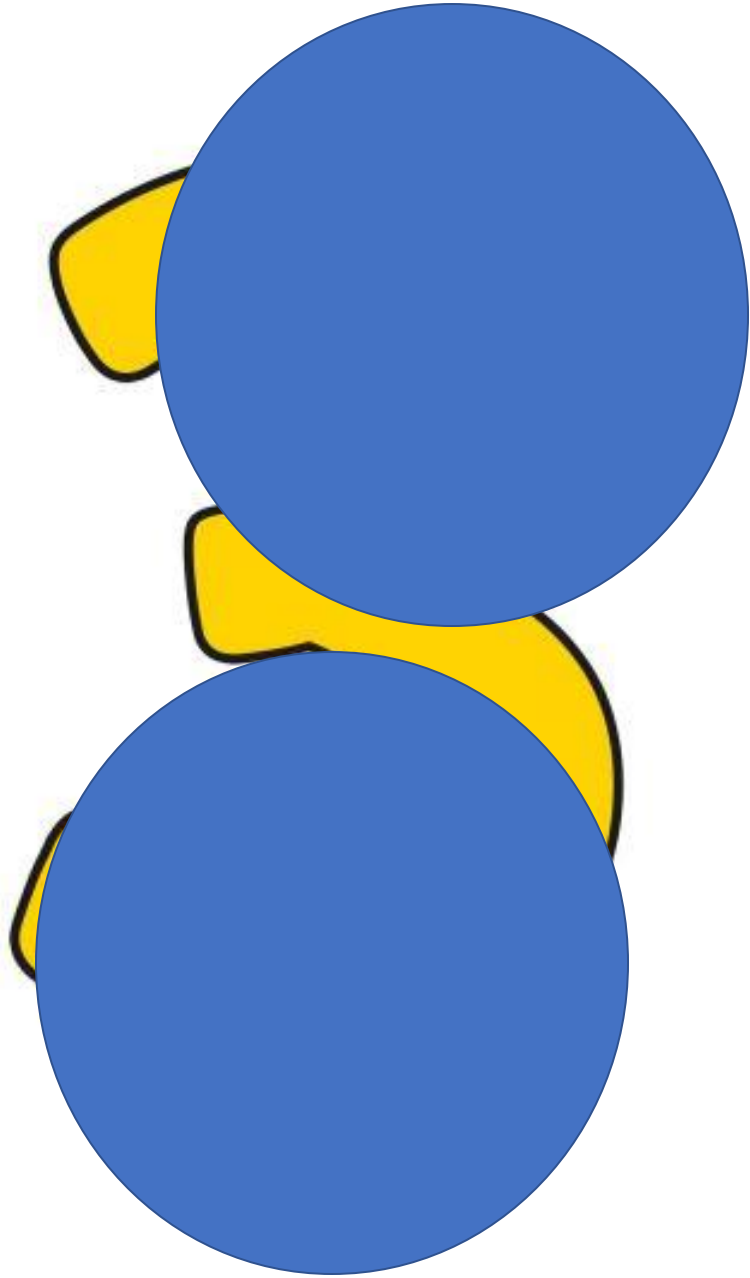

Name the number!

10

$$5 + 5 = 10$$

Name the number!

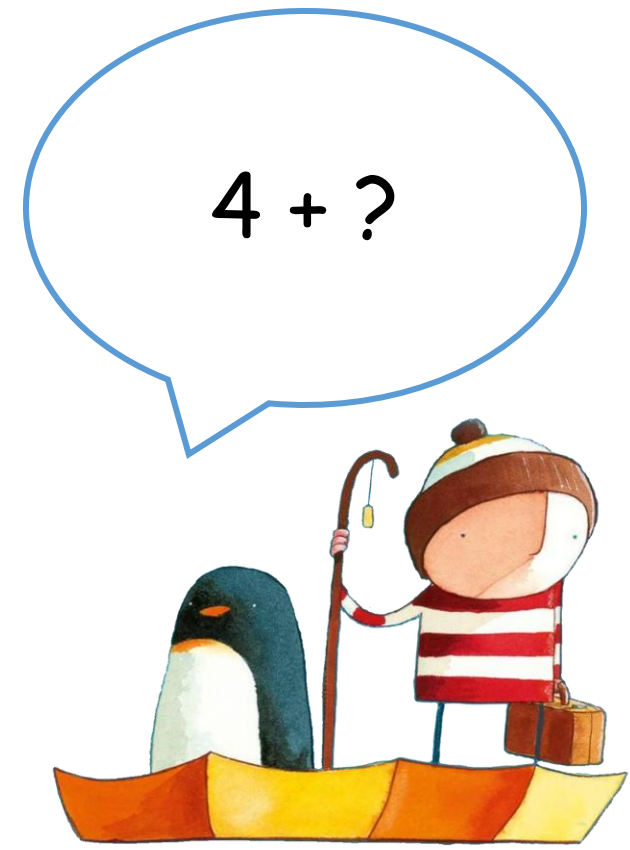

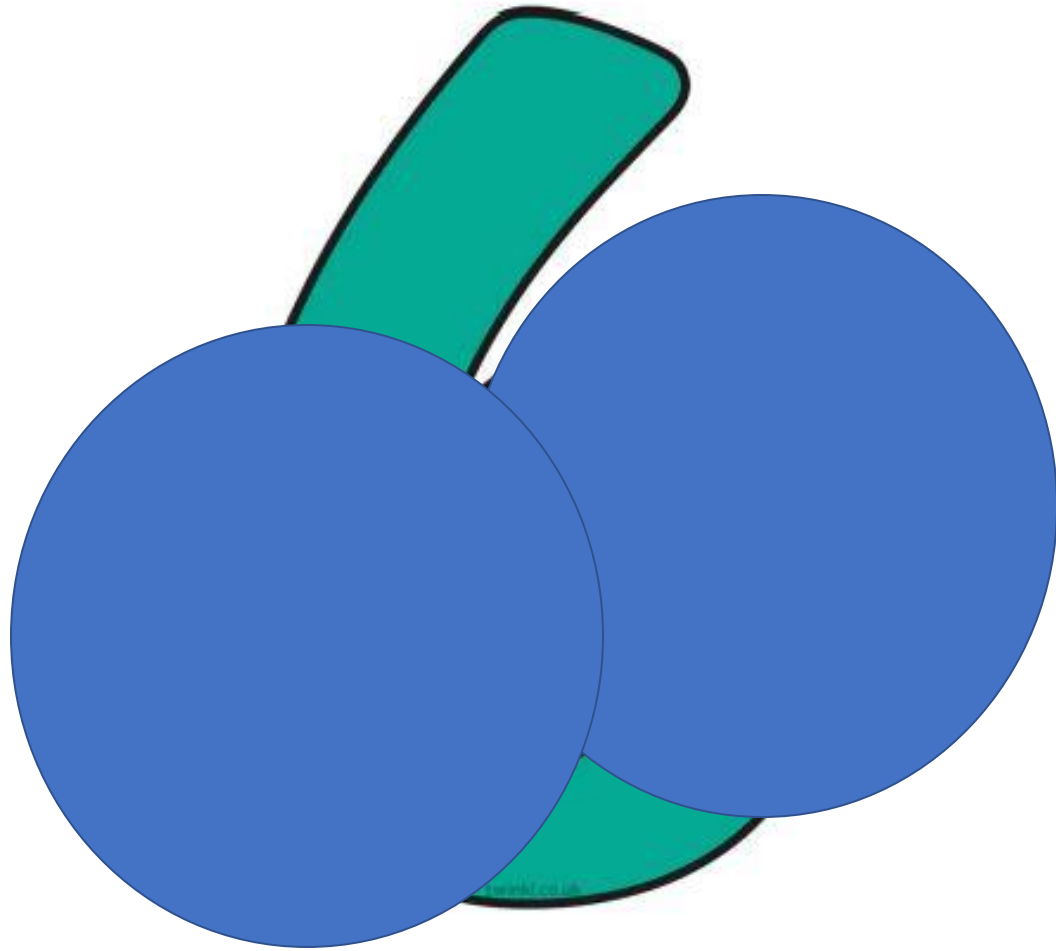

Name the number!

$$2 + 1 = 3$$

Name the number!

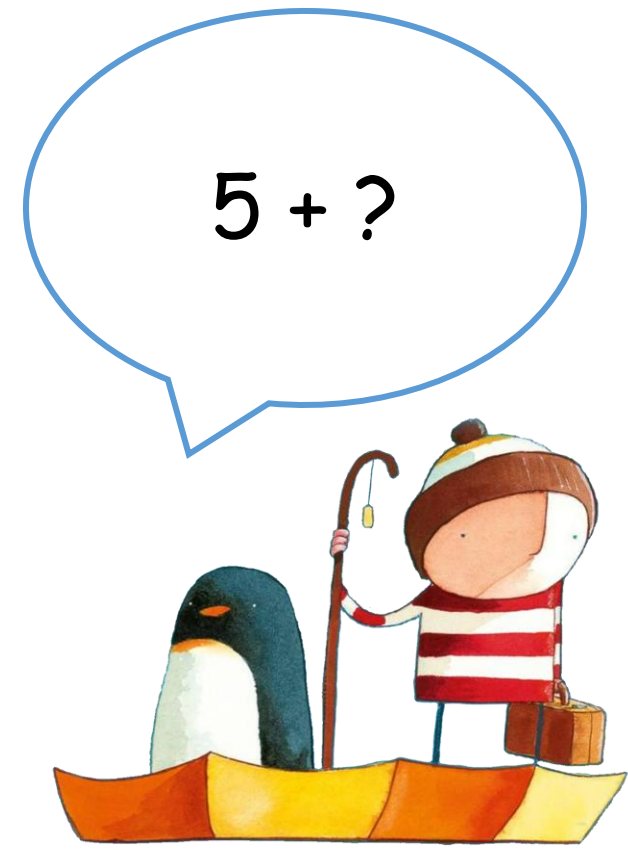

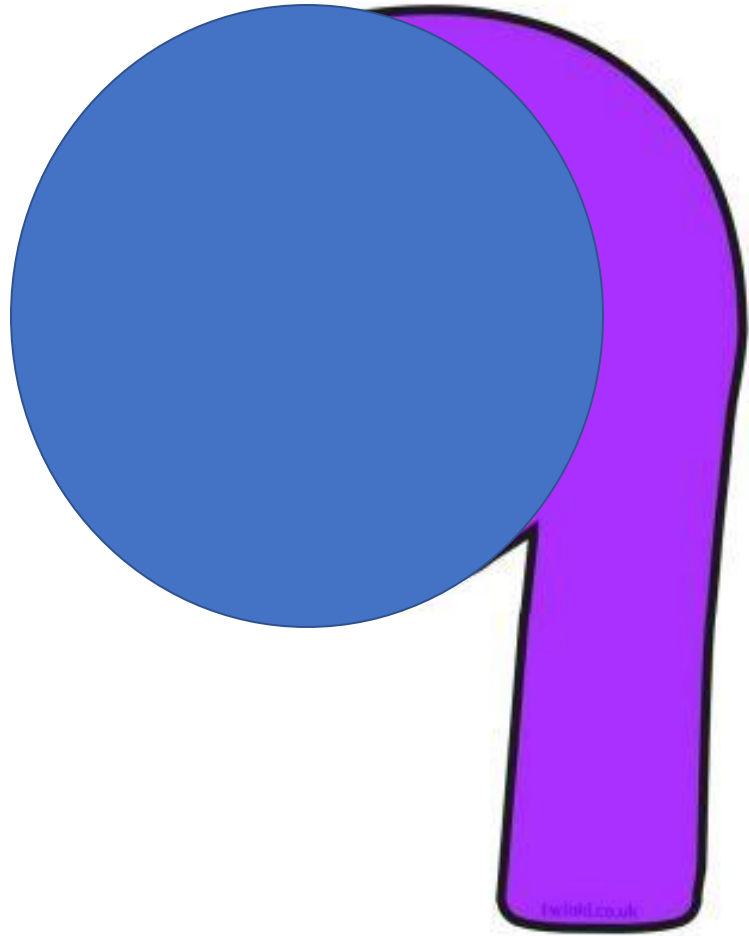

Name the number!

$$4 + 2 = 6$$

Name the number!

Name the number!

$$5 + 4 = 9$$

Well done! How many did you
guess?

Challenge yourself: go back and
see if you can think up your own
ways of adding to make that
number!
