

Ted's Diary

20/4/2020 - 24/4/2020

Don't forget to use the class email address to keep us updated about what you're getting up to!
We'd love to hear all about it!
p1acdps@gmail.com

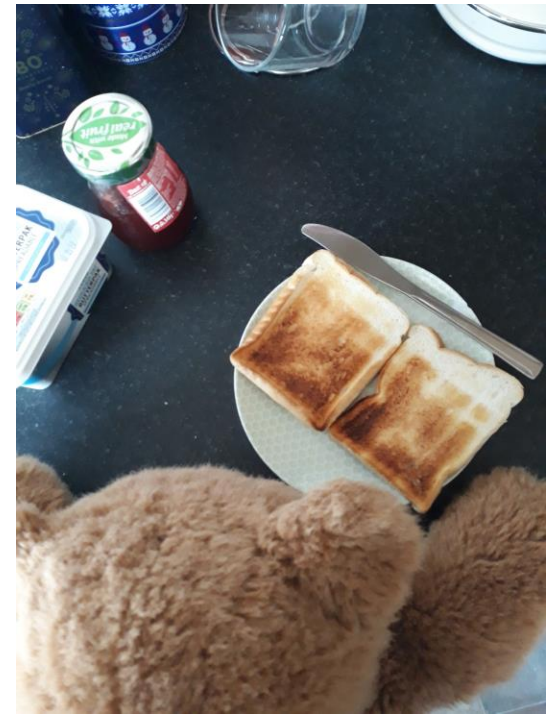

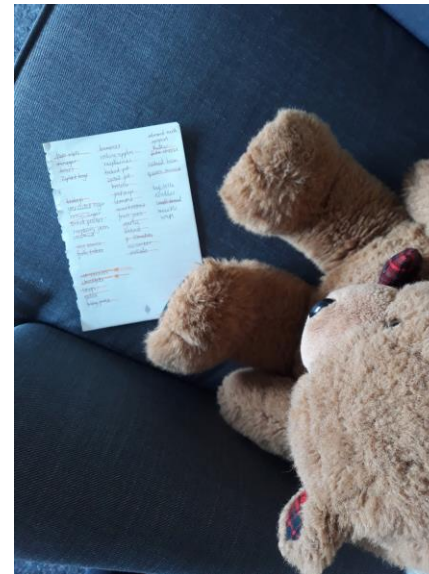

I made a telescope this week!
It was really fun - we used what Miss Conacher had in her house. We got a toilet roll tube, coloured it in and then used foil to make the inside. I've been using it at night-time to see the stars.

I've also been helping around the house. We made a shopping list together before Miss Conacher went to the shops.

I really enjoyed listening to both versions of this week's story - Lost and Found. My favourite part was when the boy and the penguin were reunited again. It's lovely to see your friends!

I've been working on some of my independent skills. At breakfast I've been practising spreading and cutting my toast. After all, a bear needs to learn how to cut his own honey sandwiches!
