

## Castle Douglas Primary School - P3/4– Home Learning – Week Beginning 27/04/20

Please feel free to email with any questions and pictures of your learning to [p34cdps@gmail.com](mailto:p34cdps@gmail.com)

<p>Make a card for a loved one or friend. Write a message inside to make them smile and let them know you are thinking about them.</p>	<p>Tune in to any of the virtual zoo day videos that are happening over at Blair Drummond or Chester Zoo or watch one of their previous videos. You could also tune in to one of the webcams over on Edinburgh zoo's website. Can you write a story about the animals you see or a diary entry as if you are the zookeeper?</p>	<p>Take part in a drawing challenge. Find 6 small objects from around your house. Place them on a piece of paper and use a pencil to change each object into something else. I have included an <a href="#">example here to help you.</a></p> 	<p>Listen to one of <a href="#">David Walliams' free audio stories.</a> There is a new one at 11am each day. Draw a picture of any of the characters and think of some adjectives to describe them.</p> 	<p>Have a go at your favourite games on Sumdog. <b>I will also be logging on to Sumdog on Tuesday from 11am – 11:30am. I will play junkpile and chef.</b> I hope some of you are able to log on then too and play against me! Will you be able to beat me?</p>
<p>Read 'The Terrible Trip Up' from your learning pack with an adult. Answer the questions in your booklet.</p>	<p>Complete a page in your maths booklet: <b>Rectangles</b> – page 7 &amp; 8 <b>Triangles</b> – page 6 &amp; 7 <b>Squares</b> – page 6 &amp; 7</p> 	<p>Complete this week's spelling activities: <a href="#">Click here for this week's sounds / spelling activities.</a></p> 	<p>.Play number ping pong! Throw a ball to a partner and as you throw; -count on and back in different increments (e.g. in 1s, 5s, 10s) within 100/1000 (remember to start at random numbers and not always at 0!)</p>	<p>Personal Research Project This week, try to find at least four interesting facts about your chosen topic by using a search engine or looking at books about your topic (if you have them).</p>
