

## Castle Douglas Primary School – Primary 2/3 Home Learning – Week Beginning 4.5.20

<u>Weekly reminders</u>	<u>STEM</u>	<u>Spelling</u>	<u>Kindness Challenge</u>	<u>Art</u>
<p>Practice key words in your zip case and on the word sheet.</p> <p>Tell a family member what the day, date and weather are in French.</p> <p>Mrs Teale's grid for this week can be found <a href="#">here</a>.</p>	<p>Try this week's Stem challenge for science on Brilliant Bodies. There are a lot of different activities, you can try some or all of them. You will need to copy and paste the links to the websites as they are not working as hyperlinks. Making up a blind taste test for your family to try sounds like fun.</p>	<p><b>Badgers</b> - week 27 Use this <a href="#">website</a> to practice your spelling words and <a href="#">this</a> to practice your spelling pattern Year 2, patterns and select 'kn/gn'.</p> <p><b>Squirrels</b> - week 30 Use this <a href="#">website</a> to practice your spelling words and <a href="#">this</a> to practice your spelling pattern. Year 1, patterns and select 'oa'.</p> <p><b>Hedgehogs</b> - week 14 Put you own spelling list in <a href="#">here</a> to help practice your spelling pattern.</p> <p><b>Rabbits</b> - week 5 Use the phase 2 games <a href="#">here</a> to practice your words.</p> <p>All use year 1, tricky words tab and tricky1 on this <a href="#">game</a> to practice some tricky words You can use Geraldine the giraffe clips on <a href="#">youtube</a> to help you learn the new sound pattern.</p> <p>Please complete spelling homework and workbook for that spelling pattern..</p> <p>Try some active spelling ideas ( see separate sheet) to help learn your words.</p>	<p>This is a time when it is important to remember to be kind to yourself as well as others. This week I've got a kindness challenge for you to try. You are not trying to do all of them and they are just suggestions you might think of better ones on your own. If you do you let me know what they are. Have fun.</p>	<p>Can you make an origami Yoda following these <a href="#">instructions</a>? You could try to make Darth Vader from a paper plate <a href="#">here</a>, you don't need a black plate you could paint or colour one.</p> <p>There are some Star Wars colouring sheets online to use for some mindful colouring or pattern making.</p>
<p><u>CDPS Life skills</u></p> <p>Choose another 2 of the activities on the list to try this week. Try to complete them more than once so that you feel confident about them. Please send some photos to me if you can.</p>	<p><a href="#">Try</a> this Cosmic kids Star Wars yoga.</p> <p>It's quite long but you could do a bit each day. May the Force be with You!</p> <p>Also you can join in with the Joe Wicks kids workout at every day by clicking on this <a href="#">link</a>.</p>	<p><u>Our Town</u></p> <p>For this activity you will need an adult to help you read the information. Use this <a href="#">page</a> to find out a bit about the history of Castle Douglas. Who is Castle Douglas named after? Why? Look at the Castle Douglas Coat of Arms sheet. Can you design your own Coat of Arms? Think about what is important to know about you, try to focus on 4 things at most and think of a word or short phrase to go underneath to describe you. I have put a blank Coat of Arms template in the resources under this week's grid if you want to use it.</p>	<p><u>Storytime</u></p> <p>Here is a link to '<a href="#">The Monster Crisp-Guzzler</a>' on Jackanory junior. After you have listened to the story try to imagine what you might turn into when you eat crisps? What would it be? Would you have a special power? Draw what you would become in your green jotter and write about what you would do.</p>	<p><b>Robins and Parrots</b> Reading comprehension 'The Present' both pages.</p> <p><b>Hummingbirds, Skylarks and Doves</b> Reading comprehension 'Fancy Dress'</p> <p><b>Puffins</b> Writing Sentences booklet complete the 'What is on the table?' page</p>

### Maths

This week we are going to concentrate on addition in our maths work.

I have set work for you on Education City in your groups. Your username and password was on the information sheet inside the front of your green jotter. You will have to log-in and I think it will take you to the work I have set for your group - this is new to me so I hope it works! Please get in touch if it doesn't. I can see your scores online.

You can still use all the other games on Education City but I am looking at these ones this week.

**I'm going to be on 'Play Live' at the times set for your group so you can play against me if you want to.**

### Triangles

1. Log-in to Education City and try the activities and worksheets there. I will be on Play Live on Tuesday at 11 am, see you there.

2. Try Number [activity](#) 10.

3. Try Number [activity](#) 11.

4. Give the number before and after in the range 1-10 e.g. "What is the number before 4?" Can you extend this on to any number up to 20? You can use your number-line to help.

### Rectangles

1. Log-in to Education City and try the activities and worksheets there. I will be on Play Live on Thursday at 11 am, see you there.

2. Add and Subtract [activity](#) 2 - Totals.

3. Add and Subtract [activity](#) 3 - How many?

4. Roll a dice - count on from that number adding 10 each time, e.g 3,13,23,33,43,53 etc. Can you count back now?

### Circles

1. Log-in to Education City and try the activities and worksheets there. I will be on Play Live on Tuesday at 10 am, see you there.

2. Add and Subtract [activity](#) 4 - Take 5.

3. Add and Subtract [activity](#) 6 - Make snakes.

4. Numbered 100 square  
Cover a number. What's the number? Cover 3 numbers in a row -down, across, diagonal. What's missing?
