---	---	--	--

If you haven't done your STAR test please do so this week so Mr Whan can set your AR targets for this term. Log in with the password **ADMIN**. The test must be done between 9am and 3pm.
If you use Reading Wise in school, then please have a go at home if you can.

<p><u>Literacy</u></p> <p><u>Spelling</u></p> <p>To find your spelling words</p> <p>Click here</p> <p>Use the</p> <p>Spelling Training</p> <p>Website to insert weekly spelling words and complete games.</p> <p>Or complete spelling activities of your choice.</p>	<p><u>Literacy</u></p> <p><u>Listening and Talking</u></p> <p>Choose something to watch. It could be a film/wildlife documentary/cartoon.</p> <p>Talk to a family member about what you watched. Did you enjoy it? What were your favourite parts?</p>	<p><u>Literacy</u></p> <p><u>Reading</u></p> <p>Running out of books or looking for something new to read? Oxford Owl has a free eBook library.</p> <p>https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/</p> <p>Have a look and choose something to read.</p> <p>Write a review of the book. What was the plot? Who was your favourite character? For a book review template</p> <p>Click here</p> <p>Or write a review in your jotter.</p>	<p><u>Literacy</u></p>  <p>On Friday it is VE Day. It will be 75 years since the guns fell silent at the end of the war in Europe. Years of war and destruction had come to an end and millions of people took to the streets and pubs to celebrate peace. Most of the VE Day 75 community celebrations due to take place have had to be cancelled BUT we can take part in celebrations safely from home. Click the link here for an activity pack to print out and complete at home or draw your own pictures.</p> <p>Display the pictures in your windows and send them to me so we can create a collage.</p>

<p><u>IDL</u> Topic</p> <p>Our topic this term is Electricity.</p> <p>Thank you for your feedback for our electricity topic. I have had lots of ideas and comments on what you would like to learn about!</p> <p>In your home learning jotter or on a sheet of paper/notebook make a list of all the things that use electricity in the video.</p> <p>Watch the clip below</p> <p>https://www.stem.org.uk/resources/elibrary/resource/30647/things-use-electricity</p> <p>Now create a table listing all the rooms in your house. List everything that uses electricity in each room. Write down which appliances require mains electricity and which run on batteries.</p>	<p><u>IDL</u> PE</p> <p>We are going to take part in a pass the ball challenge as a thank you to the NHS.</p> <p>Click here for an example</p> <p>Let's do our very own version!!</p> <p>The challenge involves catching a ball that comes into camera shot before doing a piece of skill and passing it on again.</p> <p>The short clips will then edited together to look as if everyone is passing each other the ball. All family members can get involved.</p> <p>The ball should be thrown from the filmers left to right. The ball must be caught before any tricks/moves are done and then thrown afterwards.</p> <p>It can be any kind of ball - football/tennis ball.</p> <p>Have fun!</p>	<p><u>IDL</u></p> <p>Outdoor Activities</p> <p>Nature Creatures</p> <p>A crafting task to do in the garden during the nice weather. No instructions needed, just your imagination!</p> <p>Use whatever natural materials you like and have a go at creating as many animals as you can. Once done, take a photo.</p> 	<p><u>IDL</u></p> <p>Music</p> <p>The VE Day theme continues in Music this week.</p> <p>Look at Mrs Teale's webpage and find the link to her VE day lessons.</p> <p>One of the songs is in the style of Glenn Miller. One of my favourites!</p> <p>Can you find out who he was?</p> <p>Write 5 facts about him.</p>
